Price: **1,030.72 zł** gross / 837.98 zł net

Manufacturer: UBIQUITI

Referention number: DNXEDPHUEKMR

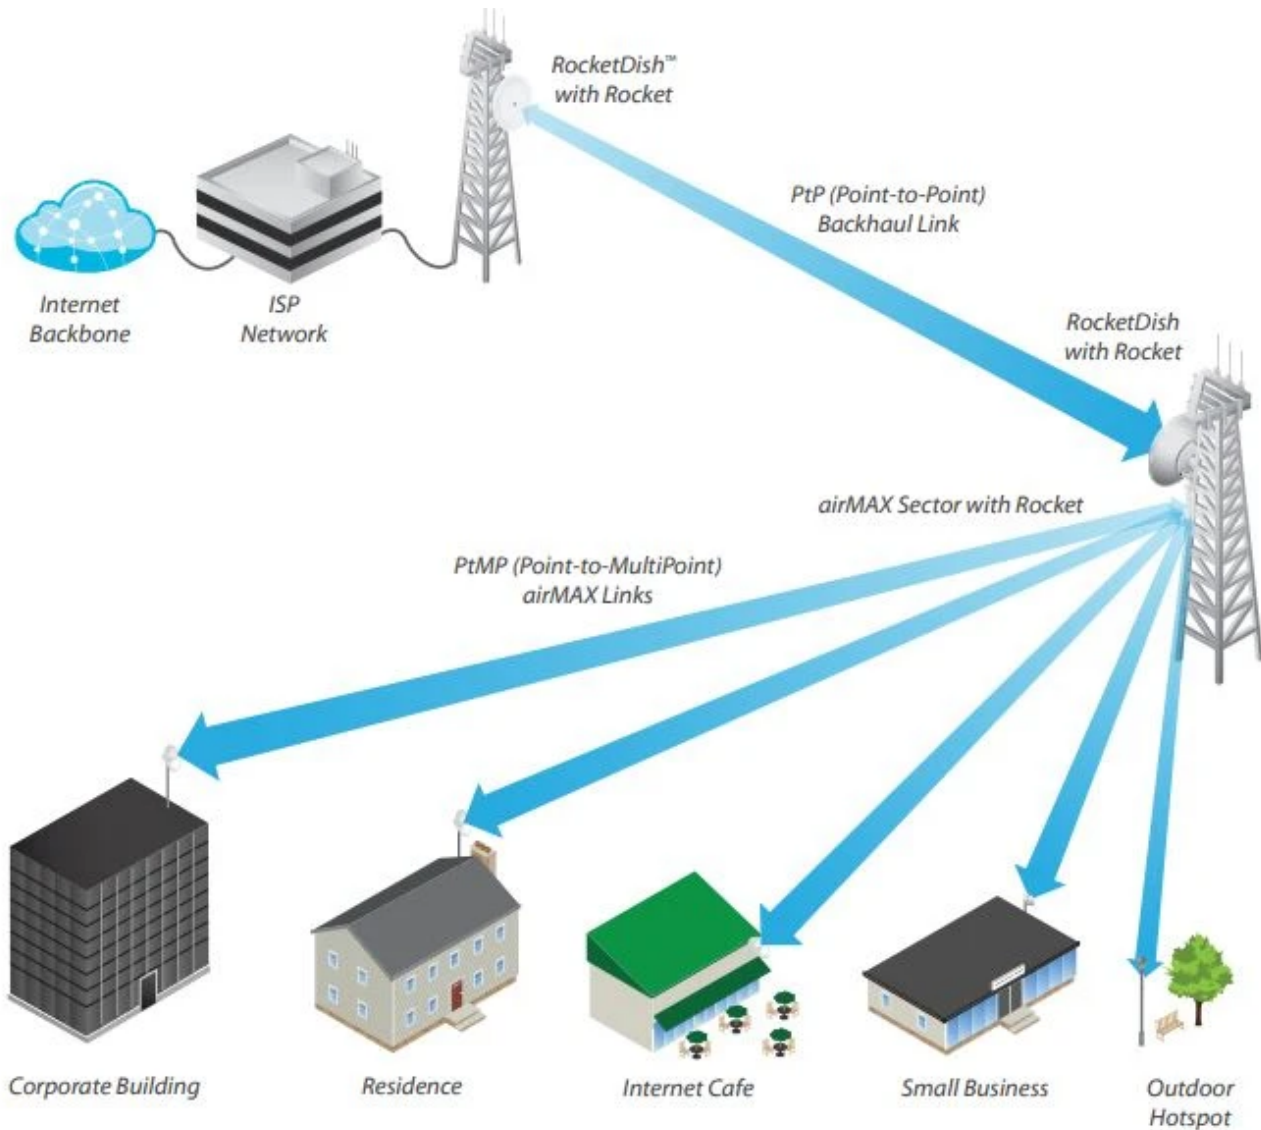

Product features

Height	134 mm
Width	1290 mm
Depth	290 mm
Antenna gain level (max)	13.8 gain
Product colour	White
Horizontal beam width	109 °
Vertical beam width	120 °
Polarization	Dual polarization
Product weight	12500 g

Full product description

Advanced features

Sectoral **airMAX** antennas have **2x2 MIMO** double polarization, which was designed for seamless integration with Rocket radio devices (Rocket sold separately). The airMAX sector antenna can be deployed in a **point-multipoint** (PtMP) network.

High performance

The airMAX sector antenna is highly **resistant to interference** and provides excellent gain and performance for multi-point networks.

Durable construction

Each airMAX sector antenna is designed for rugged construction for **outdoor use**.

Plug and Play integration

Each airMAX sector antenna has a built-in mounting bracket, so installation does not require any special tools. Snap the device securely into place and attach the antenna to get the optimal combination of Rocket radio and airMAX sector antenna for your use.
