Full product description

Discover the future of monitoring access to your home with the Extralink Smartlife 708AD smart intercom!

This state-of-the-art video intercom combines high quality video and audio with advanced smart features that make building security management simpler and more convenient. With Extralink Smartlife, you can rest assured that **your home is always under control.**

INTELIGENTNY DOMOFON ZEWNĘTRZNY

1080P, 5MP

Advanced video and audio quality

The Extralink Smartlife is equipped with a 5-megapixel 1440P Full HD camera that provides clear images in all conditions. **Automatic day and night mode switching** ensures crystal clear images at any time of day. The built-in microphone and speaker offer real-time two-way audio with noise cancellation for clear communication with visitors.

Domofon automatycznie przełącza się na tryb nocny, zapewniając krystalicznie czysty obraz nawet w ciemności

Ease of access and smart home integration

With 2.4G WiFi support and interoperability with the Extralink Smartlife app, you can monitor your home from anywhere in the world. The system integrates with Amazon Alexa and Google Assistant smart speakers for **convenient voice control**. The mobile app allows you to view the video 24/7 for added security and convenience.

Z Extralink Smartlife możesz mieć pewność, że
Twój dom jest zawsze pod kontrolą

Obsługuje Wi-Fi 2.4 GHz

Durability and reliability in all conditions

Designed for long-lasting use, the intercom features **an IP65 waterproof design** to ensure uninterrupted operation even in harsh weather conditions. In addition, the PIR motion detection function sends notifications to your phone when the camera registers movement in front of your home. The ability to expand with cloud storage and local Micro SD card (max. 128G) guarantees **the security of stored data**.

100% BEZPRZEWODOWY I ŁATWY MONTAŻ

Extralink Smart Life Ecosystem

Extralink Smart Life is a **comprehensive smart home ecosystem** that integrates lighting, electronics, cameras, video intercoms, sensors and pet feeders. The system allows easy automation and management of various devices through a single control panel, providing convenience and security.
