Price: **3.41 zł** gross / 2.77 zł net

Manufacturer: UBIQUITI

Referention number: DNXEGIHUEKKK

Information:

Ubiquiti TC-GND TOUGH Cable Connectors are shielded RJ45 Cat 5 connectors with a grounding wire, designed to work with Ubiquiti TOUGH Cable cables. They provide effective protection against ESD electrostatic discharge and help protect network equipment from damage, especially in outdoor installations. They allow easy grounding of the cable without soldering, which speeds up installation and increases convenience. The product is available in packs of 20.

Full product description

Ubiquiti TC-GND Connectors Ground TOUGH Cable with a grounding cable

Ubiquiti TC-GND TOUGH Cable connectors equipped with a grounding cable, specially designed for use with network **Ubiquiti TOUGH Cables**. TOUGH Cable connectors protect against ESD electrostatic discharges and damage to equipment. The equipment allows the network cable to be grounded without the need for soldering.

The connectors provide protection for Ethernet connections in open spaces.

Features

- Dedicated to use with Ubiquiti TOUGHCable
- ESD protection against electrostatic discharges
- No soldering required
- RJ45 CAT5 plug, shielded with grounding cable.
