Full product description

Ensure hassle-free power for your Protect cameras with the Ubiquiti UACC-Adapter-PoE-USBC.

This USB-C PoE adapter not only provides reliable power, but also guarantees high-speed data transfer via Gigabit Ethernet. This is the perfect accessory for anyone who appreciates the functionality and high quality of Ubiquiti devices.

Ease of integration with Ubiquiti systems

The Ubiquiti UACC-Adapter-PoE-USBC is designed specifically for Ubiquiti Networks devices, ensuring seamless integration with Protect cameras and other Unifi devices. The adapter is compatible with popular cameras such as **G4 DoorBell Pro** and **G4 Instant**, making it an ideal solution for users of these systems.

High efficiency of power supply and data transfer

With PoE with 48V DC input and 5V DC output, the Ubiquiti UACC-Adapter-PoE-USBC provides stable and reliable power for your devices.

Gigabit Ethernet enables high-speed data transfer, which is crucial for surveillance cameras that need to transmit large amounts of data in high quality.
