### Information:

Extralink TM-107 is a handy, cordless mini chainsaw for trimming shrubs and branches, pruning, and garden or outdoor work. Its lightweight, compact design ensures comfortable handling, good control, and easy access to hard-to-reach branches. A powerful motor and durable chain guarantee smooth cutting, while the 1500 mAh battery allows comfortable cord-free operation. The set includes two batteries, a fast charger, additional guide bars and chains, and a practical carry case, which increases convenience and readiness for work.

## Full product description

### Handy small cordless chainsaw Extralink

The **Extralink TM-107 cordless pruning saw** is the ideal compact cordless chainsaw for trimming shrubs, pruning branches, limbing fallen trees and more. A great tool for preparing wood for a campfire, clearing a path while hunting, or simply as an aid for chores in your own backyard. This is a small chainsaw with a compact, lightweight body for easy handling and control. At this size, it excels at tackling harder-to-reach and awkwardly placed branches that a full-size traditional chainsaw would not be able to easily reach. The cordless pruning saw is ideal for residential homeowners or outdoor enthusiasts. The **Extralink TM-107** is a really handy little cordless chainsaw.

Wide range of applications

Orchard

Camping
