Full product description

Ubiquiti - proven solutions for Unifi cameras

The **Ubiquiti** brand is known for its **professional surveillance systems**, and the **UACC-G5-PTZ-CA** mounting bracket is another item that helps optimize installation. The product is fully compatible with **the UVC-G5-PTZ camera**, which means that the installation goes smoothly. Thanks to its well-thought-out design, the mount is durable and allows you to **easily adjust the camera's position**.

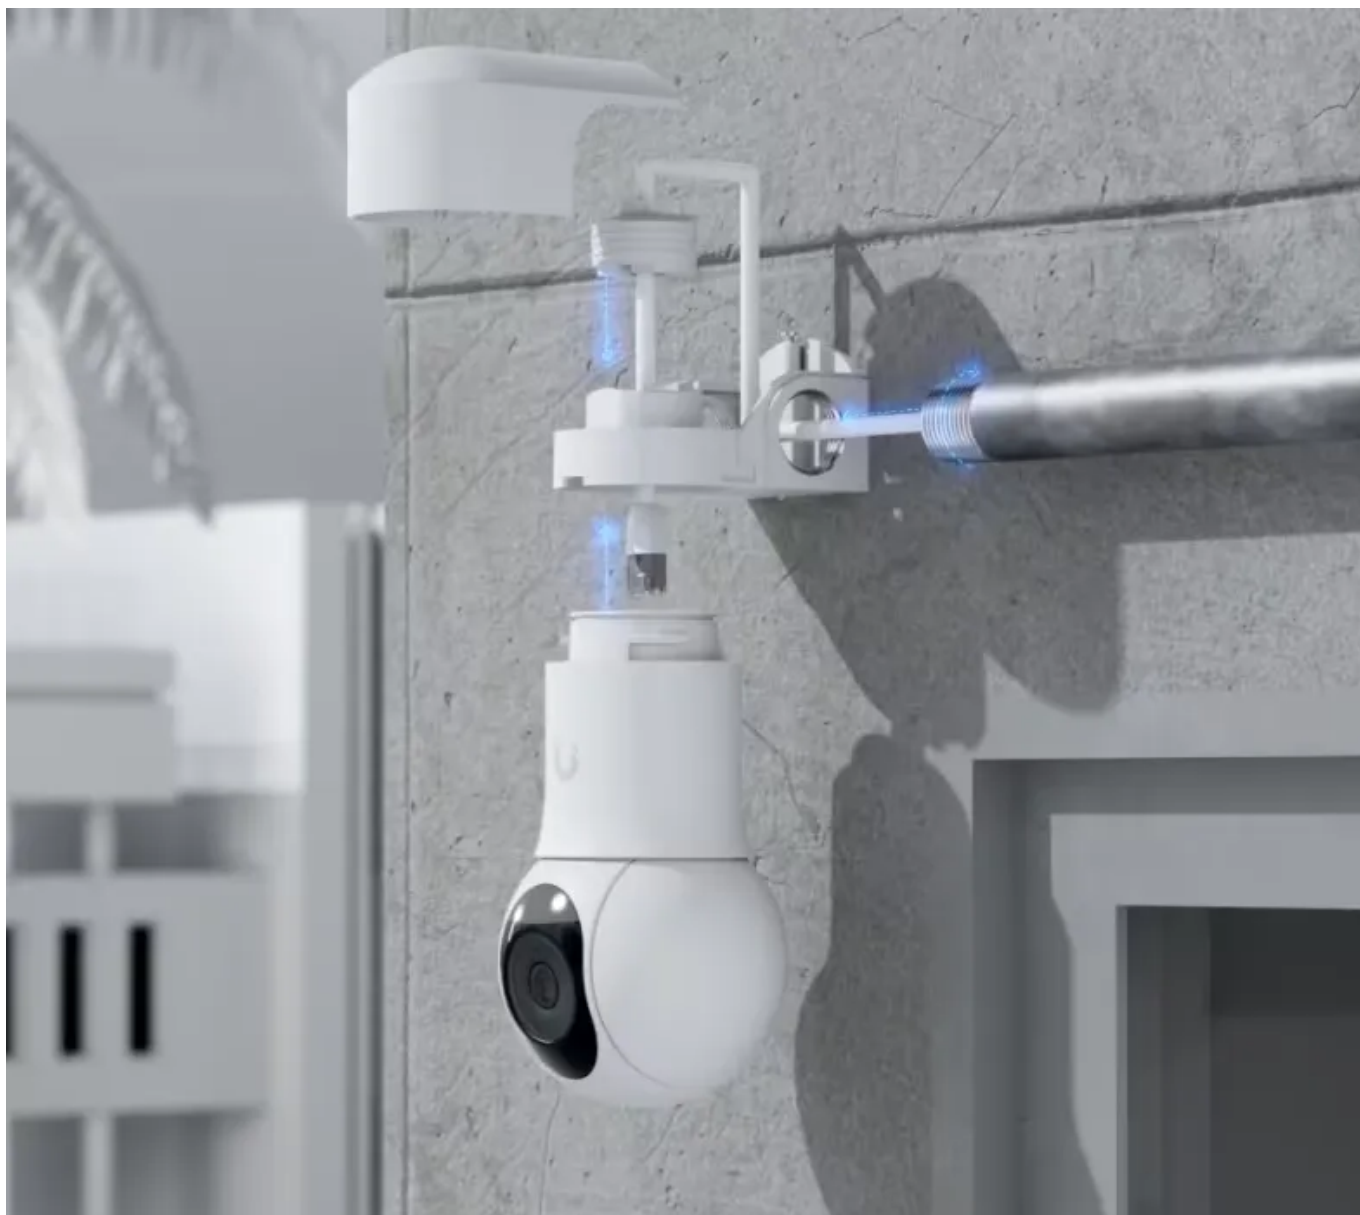

Stable and durable mounting of G5 PTZ camera

The **UACC-G5-PTZ-CA mounting bracket** is designed specifically for the **G5 PTZ**, ensuring a stable and secure mount. This ensures that the camera remains in the correct position for uninterrupted monitoring of its surroundings. The wall mount is a guarantee of **an optimal field of view** and greater protection from mechanical damage.

Weather resistance

The **mount** is made of **durable polycarbonate**, which makes it resistant to rain, moisture and UV radiation. As a result, it can be used both indoors and outdoors without worrying about its durability. **The product** does not deform under the influence of temperature, which is important in demanding working conditions.

Compatible with 3/4" adapter

By **integrating with the 3/4" conduit adapter**, the mounting bracket allows for easier cable organization, which improves installation aesthetics and protects cabling from accidental damage. The product is fully compatible with the **Ubiquiti UniFi** system, ensuring seamless integration with the rest of the monitoring infrastructure.

Compatibility with UVC-G5-PTZ camera

Ubiquiti UACC-G5-PTZ-CA is a mounting bracket designed **specifically for the G5 PTZ camera**, which means full technical compatibility. Thanks to the dedicated design, the installation goes smoothly, and the bracket ensures stability and proper positioning of the camera. It's a **versatile solution** that allows you to deploy your surveillance system efficiently.
