Full product description

Ubiquiti UACC-Intercom-Viewer-TS: Stand for Intercom Viewer

The **Ubiquiti UACC-Intercom-Viewer-TS** stand is the perfect solution to easily **mount the Intercom Viewer** to your **UniFi Access** system. It's designed for ease of installation and durability, making it a stable base for using the device in a variety of environments - from offices to commercial spaces. Its sleek design makes the **Intercom Viewer** look professional and fits harmoniously into modern interiors.

Easy and Quick Installation

The **Ubiquiti UACC-Intercom-Viewer-TS** stand allows quick mounting on the wall or other convenient locations, allowing the Intercom Viewer to be easily fixed at the optimal height. Installation is intuitive, even those without experience will be able to quickly prepare the device for use

High Durability and Aesthetics

Made of high-quality materials - **aluminum, rubber and polycarbonate** - the stand ensures longevity and resistance to daily use. The solid construction guarantees the stability of the device, and **the modern design** makes it fit well in office and commercial spaces. As a result, the stand serves not only a utilitarian function, but also an aesthetic one, integrating with the rest of the UniFi Access system
