

Ubiquiti UACC-OFC-M2-LULU-5M | Patchcord | OM4 Duplex LC, 5m

link to the product:

<https://www.batna24.com/gb/p/sfp-modules/ubiquiti-uacc-ofc-m2-lulu-5m-patchcord-om4-duplex-lc-5m>

Price: **38.84 zł** gross / 31.58 zł net

Manufacturer: UBIQUITI

Referention number: DNXXGHILPMRMMOO

Product features

Fiber mode structure	Multi-mode
Cable length	5 m
Full duplex	Yes
Operating temperature (T-T)	-40 - 75 °C
Cord diameter	2 mm
Return loss	35 decibel
Insertion loss	0.3 decibel
Sheath material	Low smoke zero halogen (LSZH)
Connector polish type	UPC
Product colour	Rose
Connector 2 gender	Male
Connector 1 gender	Male
Fibre optic type	OM4+
Cable type	LC/LC
Cable shape	Round

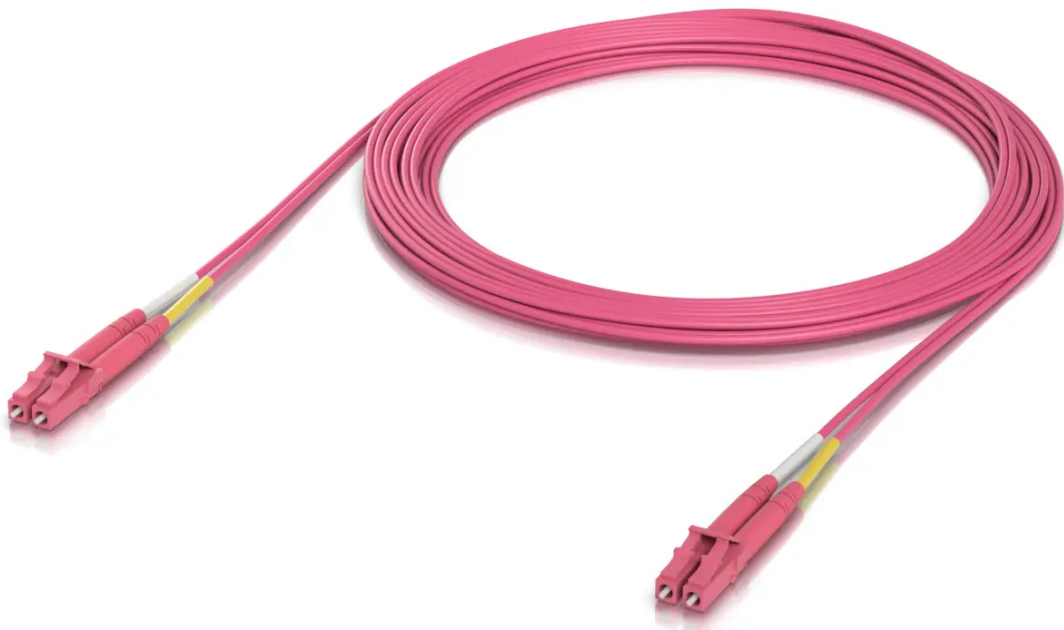

Full product description

Performance and reliability of connection in your network

The **Ubiquiti UACC-OFC-M2-LULU-5M** is a **5-meter OM4 patchcord** that is designed for network systems based on Ubiquiti UniFi and Ubiquiti Networks solutions. Thanks to its **LC duplex** and **low attenuation**, it will be perfect for connecting switches, access points and other network devices.

Stability and performance of the connection

The Ubiquiti **UACC-OFC-M2-LULU-5M** offers **bandwidth** tailored for demanding network environments. Thanks to OM4 fiber, it supports 850/1300 nm transmission for fast and efficient communication between devices. In addition, the low attenuation of ≤ 0.3 dB guarantees minimal signal loss even over longer distances.

Robust design and high durability

The patchcord is made of **LSZH (Low Smoke Zero Halogen)** material, which minimizes smoke and toxic emissions during a possible fire. With **a diameter of 2 mm**, the cable is flexible and easy to install, and its durability has been confirmed by testing for **1000 connection cycles**. This makes the cable meet the requirements in advanced network systems.
