Touchscreen technology	Capacitive
Power consumption (max)	27 W
Orientation	Horizontal/Vertical
Humidity measurement range	20 - 90%
Touchscreen	Yes
Ethernet LAN (RJ-45) ports	1
Processor family	ARM Cortex
Operating temperature (T-T)	0 - 40 °C
Processor frequency	2.2 GHz
Display diagonal	21.5 "

Ethernet LAN data rates	1000 Mb/s
Brightness	250 cd/m2
Internal memory	32 GB
Wi-Fi	No
Bluetooth version	4.2
Bluetooth	Yes
Ethernet LAN	Yes
Built-in speaker(s)	Yes
Native aspect ratio	16:9
Processor cores	8
Processor model	Cortex-A53
Processor manufacturer	ARM
Built-in processor	Yes
DVI port	No
HD type	Full HD+
Computer system	Yes
Product colour	White
Internal memory	3 GB
Designation	Indoor
Designation	Universal
Product weight	4900 g

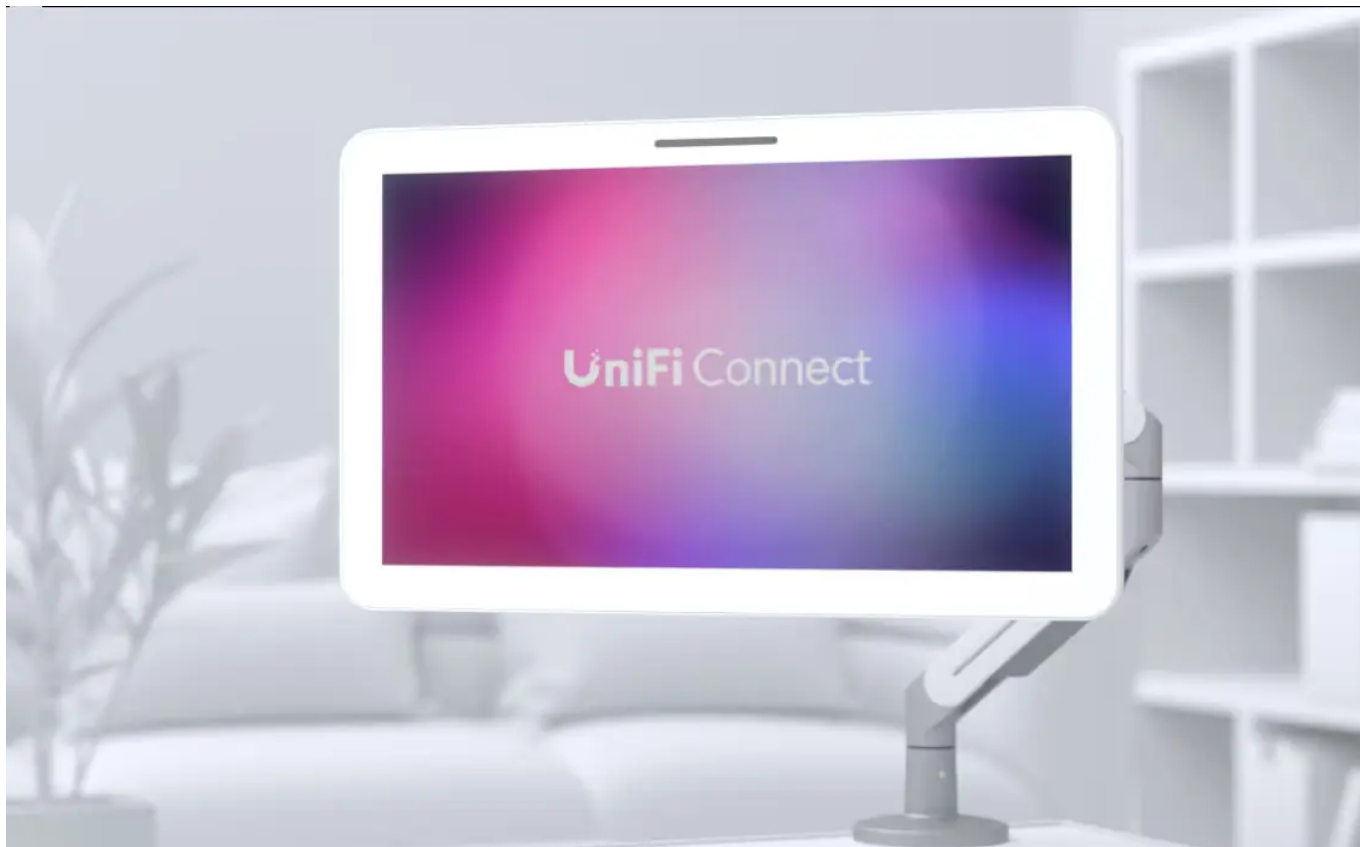

Full product description

Meet Ubiquiti's new UC-Display touchscreen monitor.

This state-of-the-art 21.5" Full HD touchscreen monitor provides exceptional image quality and intuitive touch operation, meeting the needs of professionals and home users alike. With advanced PoE technology and an included VESA adapter, the Ubiquiti UC-Display is an excellent choice for anyone looking for a reliable and versatile solution.

Intuitive content management and integration with UniFi Protect

With a centrally managed system, the UC-Display makes it easy and fast to update the displayed content. In protection mode, the UBIQUITI UC-Display provides the same intuitive camera management as the UniFi Protect app. This allows **you** to **monitor and manage your security systems** from a single location, increasing efficiency and security.

Versatile mounting options

The product comes with a VESA adapter for easy wall or arm mounting. In addition, optional accessories such as a desk stand, surface mount and flat mount are available. This provides **flexibility and ease of installation** anywhere.
