

Ubiquiti UDC-1 | DAC Cable | SFP+, 1m

link to the product:

<https://www.batna24.com/gb/p/sfp-modules/ubiquiti-udc-1-dac-cable-sfp-1m>

Price: **72.52 zł** gross / 58.96 zł net

Manufacturer: UBIQUITI

Referention number: DN XF MJ POM RM NJ L

Product features

Conductor material	Copper
Harmonized System (HS) code	84733080
Cable length	1 m
Product colour	Black
Connector 2 gender	Male
Connector 1 gender	Male
InfiniBand protocol	Yes

Full product description

SFP+ UDC-1 copper DAC cable - a cost-effective solution for 10 Gigabit networks

The SFP+ UDC-1 copper DAC cable is compatible with **Ubiquiti Unifi** switches that support the 10 Gigabit DAC and is ideal for short-range connections. It has a length of **1 m** and provides transmission speeds up to **10 Gbps**. Ubiquiti UDC-1 offers a cost-effective way to connect Unifi switches located in and inside adjacent racks. SFP+ passive DAC cable assemblies are a high performance input/output solution for **Ethernet 10G and Fiber Channel 10G** networks. With SFP+ copper modules, equipment manufacturers can achieve high port density, reduce configuration and disposal costs, and reduce their power budget. High-speed DAC cable assemblies meet and often exceed industry standards for Gigabit Ethernet and Fiber Channel performance and reliability.

Special features

- 10 Gigabit Ethernet support (10GbE/10GBASE-CU)
- Small Form-factor Pluggable Plus (SFP+) copper cable
- Active cable assembly with 10.5 Gbps line speed
- Working distance of 1 metre (other lengths available)
- Supply voltage 3.3 V, power consumption max. 0.57 W (at one end)
- AWG 24
- Compatible with Ubiquiti Unifi switches supporting DAC 10 Gigabit
