

Ubiquiti UDC-2 | DAC Cable | SFP+, 2m

link to the product:

<https://www.batna24.com/gb/p/sfp-modules/ubiquiti-udc-2-dac-cable-sfp-2m>

Price: **90.49 zł** gross / 73.57 zł net

Manufacturer: UBIQUITI

Referention number: DN XF MJ PP DR M M M I

Product features

Conductor material	Copper
Harmonized System (HS) code	84733080
Cable length	2 m
Product colour	Black
Connector 2 gender	Male
Connector 1 gender	Male
InfiniBand protocol	Yes

Full product description

SFP+ UDC-2 copper DAC cable - a cost-effective solution for 10 Gigabit networks

Ubiquiti UDC-2 is a SFP+ DAC cable compatible with **Ubiquiti Unifi** switches that support the 10 Gigabit DAC. It is perfect for connections over short distances. It provides **10 Gbps** transmission and its range is **2 meters**. Ubiquiti UDC-2 offers an economical way to connect UniFi switches in the same and adjacent racks. SFP+ passive DAC cable assemblies are a high performance input/output solution for **Ethernet 10G and Fiber Channel 10G** networks. With SFP+ copper modules, equipment manufacturers can achieve high port density, reduce configuration and operational costs, and reduce their power budget. High-speed DAC cable assemblies meet and often exceed industry standards for Gigabit Ethernet and Fiber Channel performance and reliability.

Special features

- 10 Gigabit Ethernet support (10GbE/10GBASE-CU)
- Small Form-factor Pluggable Plus (SFP+) copper cable
- Active cable assembly with 10.5 Gbps line speed
- Working distance of 2 metres (other lengths available)
- Supply voltage 3.3 V, power consumption max. 0.57 W (at one end)
- AWG 24
- Compatible with Ubiquiti Unifi switches supporting DAC 10 Gigabit
