Price: **2,197.81 zł** gross / 1,786.84 zł net

Manufacturer: UBIQUITI

Referention number: DNXXGLHSHRMMLI

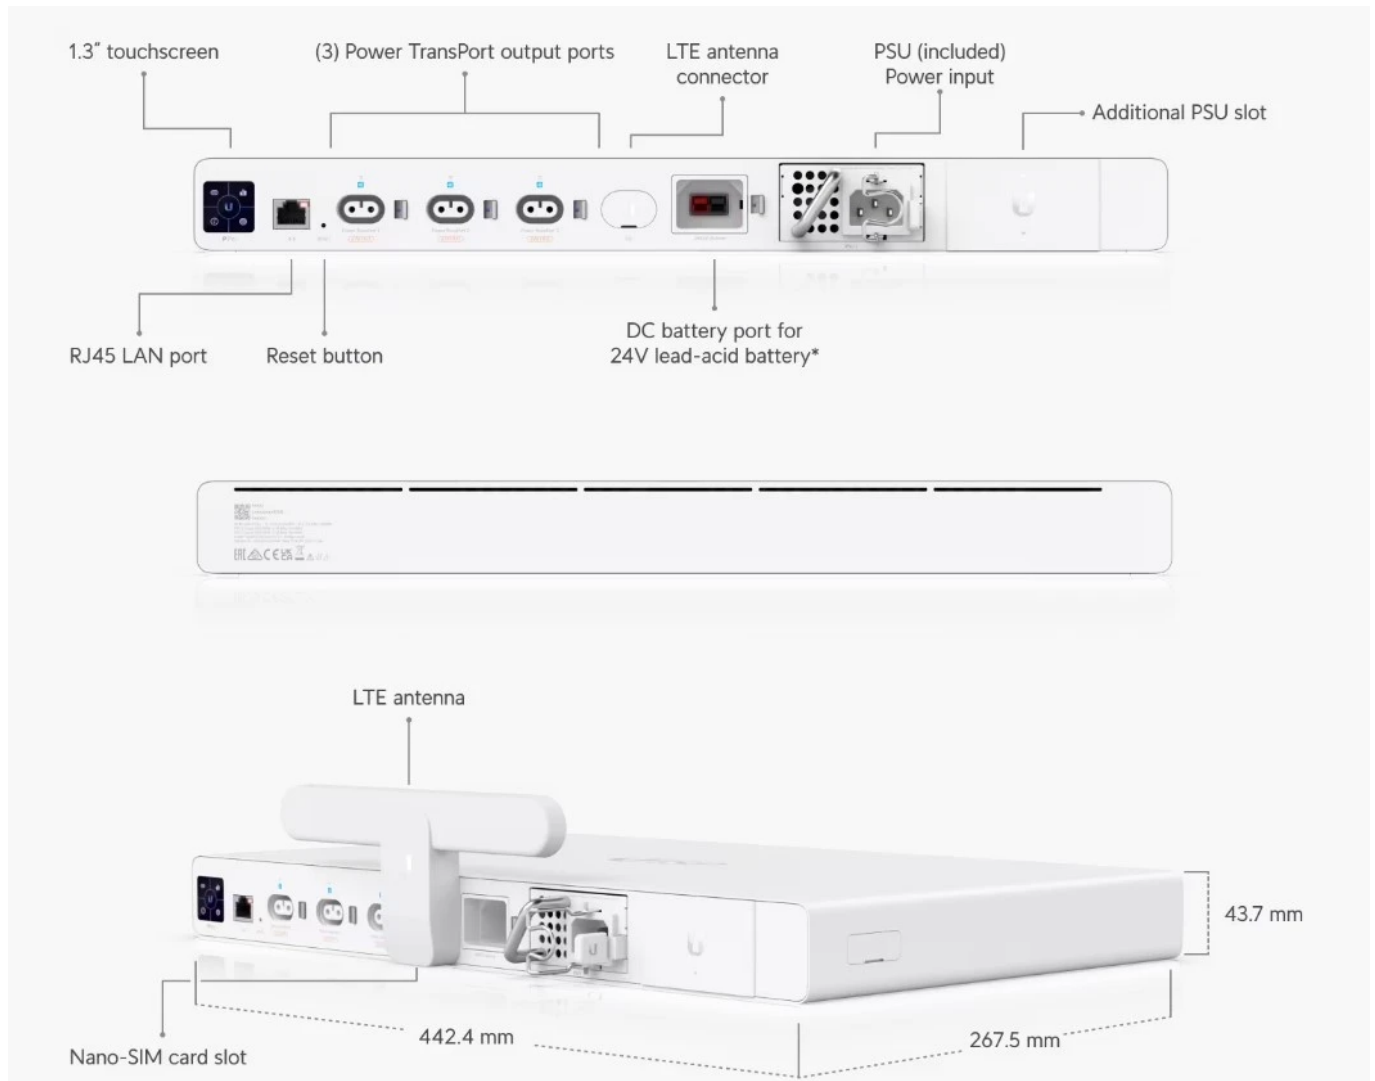

Product features

Height	43.7 mm
LED indicators	Activity
Width	442.4 mm
Depth	267.5 mm
Compliance certificates	CE
Humidity measurement range	5 - 95%
Compatibility	UISP Console, UISP Router (installed with UISP Box), UISP Router Pro, UISP Switch (installed with UISP Box), UISP Switch Pro
Ethernet LAN (RJ-45) ports	1
Input frequency	50 Hz
Operating temperature (T-T)	-10 - 50 °C
Control type	Touch
Power source type	AC
Output power	480 W
Product colour	White
Input operation voltage (max)	240 V
Input operation voltage (min)	100 V
Watch case material	Acrylonitrile butadiene styrene (ABS)
Sustainability compliance	Yes
Product weight	4160 g

Full product description

Ubiquiti UISP Power Pro - Advanced Emergency Power Supply.

The Ubiquiti UISP Power Pro is an advanced UPS that is part of the UISP ecosystem. It integrates with other Ubiquiti products, offering central management and monitoring. Its compact design and remote management capabilities make it ideal for small and medium-sized businesses. With support for multiple LTE standards, it provides versatility and reliability in a variety of network conditions.

Installation and connection

Thanks to its easy plug-and-play, tool-free **installation, the Ubiquiti UISP Power Pro is quick and simple**, allowing for immediate deployment. The compact design and remote management capabilities make the product ideal for businesses.

Compatibility

The product supports the following models:

- UISP Console
- UISP Router (installed with UISP Box)
- UISP Router Pro
- UISP Switch (installed with UISP Box)
- UISP Switch Pro
