Price: **372.90 zł** gross / 303.17 zł net

Manufacturer: UBIQUITI

Referention number: DN XF MN OP KR MN KI

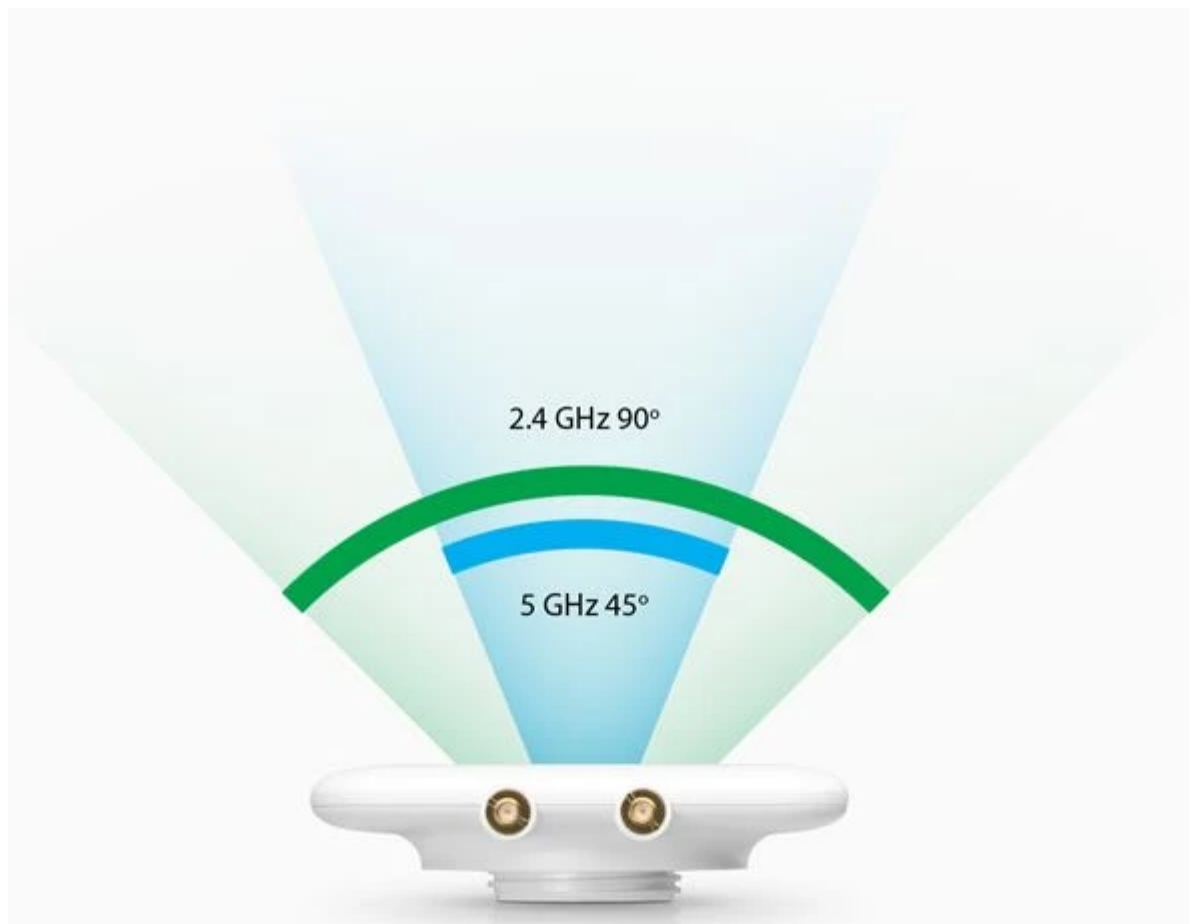

Product features

Height	201.3 mm
Antenna type	Directional antenna
Width	128 mm
Depth	32.5 mm
Mounting kit	Yes
Harmonized System (HS) code	85177100
Networking standards	IEEE 802.11ac
Antenna gain level (max)	15 gain
Mounting	Wall/Pole
Product colour	White
Voltage Standing Wave Ratio (VSWR)	2:1
Horizontal beam width (5 GHz)	45 °
Vertical beam width (5 GHz)	45 °
Horizontal beam width (2.4 GHz)	90
Vertical beam width (2.4 GHz)	90
Polarization	Dual polarization
Antenna gain (2.4 GHz)	10
Antenna gain (5 GHz)	15 gain
Antenna connector type	RP-SMA
Watch case material	Plastic
Designation	Indoor & outdoor
Product weight	480 g

Full product description

Dual-band directionality

Directionality allows you to get coverage where you need it. With a high-performance **UMA-D** radiant tube heater, which provides much better performance for the desired coverage area and **less interference**.

Versatile installation

Use the supplied bracket for horizontal or vertical mounting on a wall, ceiling or pole. The ball coupling system allows quick and easy alignment: azimuth (left/right), height (up/down) and orientation (vertical or horizontal post).

Modern design

Antenna functions optimized for **802.11ac**, the UMA-D offers high directional performance with double polarity. **Weather-resistant** cased housing in UV-stabilized plastic, the UMA-D can be used indoors or outdoors.
