Price: **880.82 zł** gross / 716.11 zł net

Manufacturer: UBIQUITI

Referention number: DNXXGMNJDRMLPI

Product features

Regulatory Approvals	CE, FCC, IC
Power source	DC/PoE
Height	33 mm
LED indicators	Activity
Wall mountable	Yes
Width	203 mm
Depth	76 mm
Input current	3.9 A
Rack mounting	No
Power consumption (max)	9 W
Humidity measurement range	10 - 90%
Switching capacity	16 Gb/s
Switch type	Managed
10G support	No
IFU / User manual	Yes
DC input voltage	44 V
Broadcast storm control	Yes
Performance	8 Gb/s
Operating temperature (T-T)	-20 - 60 °C
Total Power over Ethernet (PoE) budget	202 W
Reset button	Yes
Flow control support	Yes

Port mirroring	Yes
Jumbo frames support	Yes
Power supply included	Yes
Power over Ethernet (PoE) ports quantity	7
Power over Ethernet (PoE)	Yes
Power over Ethernet 4PPoE (PoE+ +) ports quantity	1
Product colour	White
Power connector	DC-in jack
Switch layer	L2+
Multicast support	Yes
Number of power supply units	1
Basic switching RJ-45 Ethernet ports type	Gigabit Ethernet (10/100/1000)
Watch case material	Polycarbonate (PC)
Basic switching RJ-45 Ethernet ports quantity	8
Product weight	320 g

Full product description

Discover a new dimension of networking with the Ubiquiti USW-Ultra-210W-EU!

With advanced management features, PoE support, and a compact design, this switch will give you full control over your network, no matter its size.

High performance and speed

The Ubiquiti USW-Ultra-210W EU is equipped with 8 RJ45 1000Mbps ports for fast and reliable Gigabit Ethernet connections. With a non-blocking throughput of 8 Gbps and a switching capacity of 16 Gbps, it ensures **smooth network operation without latency**. The switch supports both PoE and PoE+, allowing you to power various devices without additional cables.

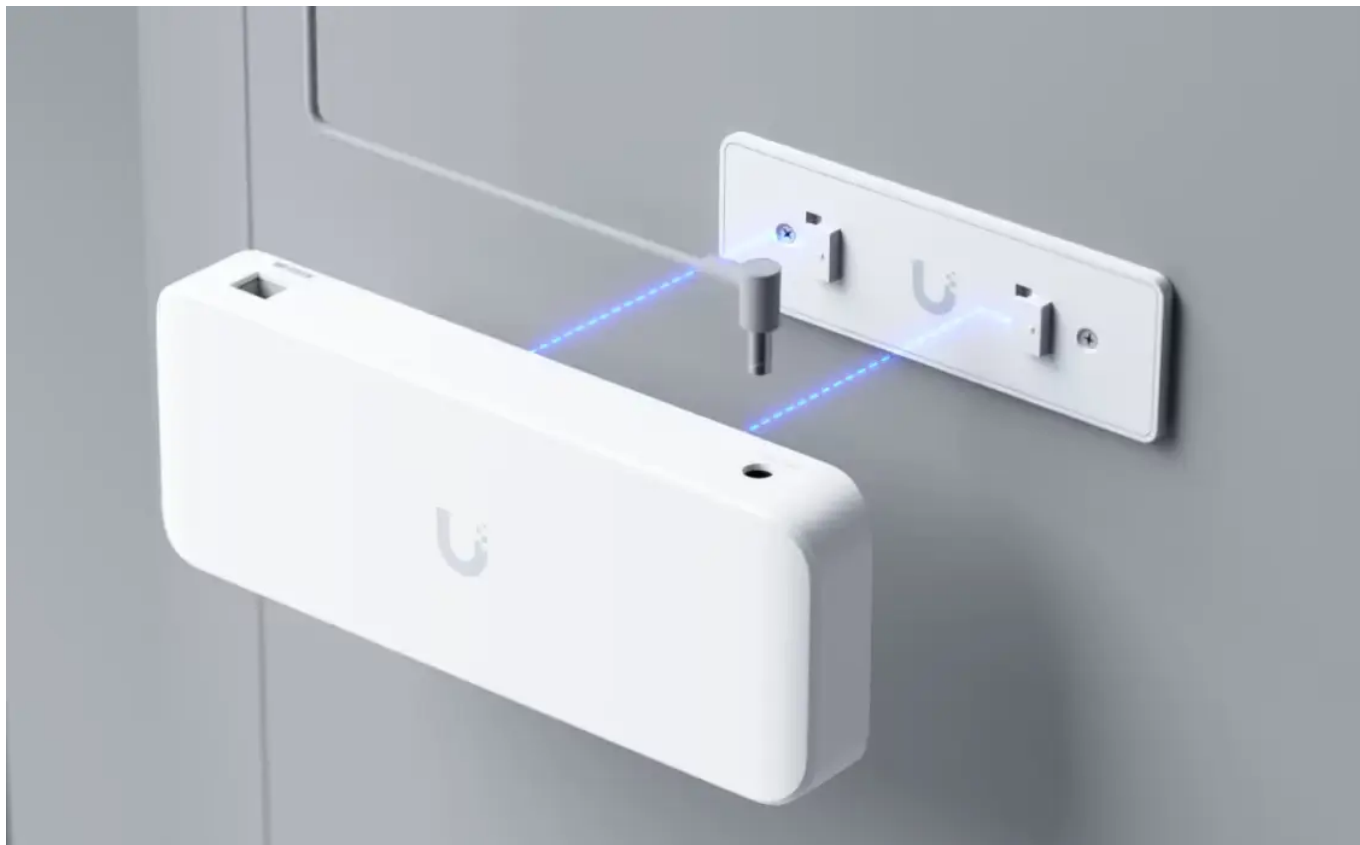

Advanced network management

This managed switch offers a number of Layer 2 features, such as port isolation, storm control, port mirroring, multicast/broadcast rate limiting, flow control, jumbo frames and egress rate limit. This allows **you to precisely control and optimize the performance of your network**. Remote management via UniFi Network provides ease of monitoring and configuration.

Compact and versatile

The Ubiquiti USW-Ultra-210W EU is lightweight and compact, weighing just 320g for **easy installation in a variety of locations**. With a wall bracket weighing only 45 g, the switch can be easily mounted on the wall, reducing cable clutter. With versatile mounting options and a power adapter included, you can place it where it suits you best.

High power PoE

The switch provides PoE power of up to 202W, which is enough to power multiple devices simultaneously, such as IP cameras, WLAN access points and VoIP phones. PoE input is supported, allowing the switch to use the full power available. The maximum PoE power per port is 30W, which ensures that **each device receives the right amount of power.**
