Price: **1,294.85 zł** gross / 1,052.72 zł net

Manufacturer: UBIQUITI

Referention number: DNXXGKNKERMLPN

Product features

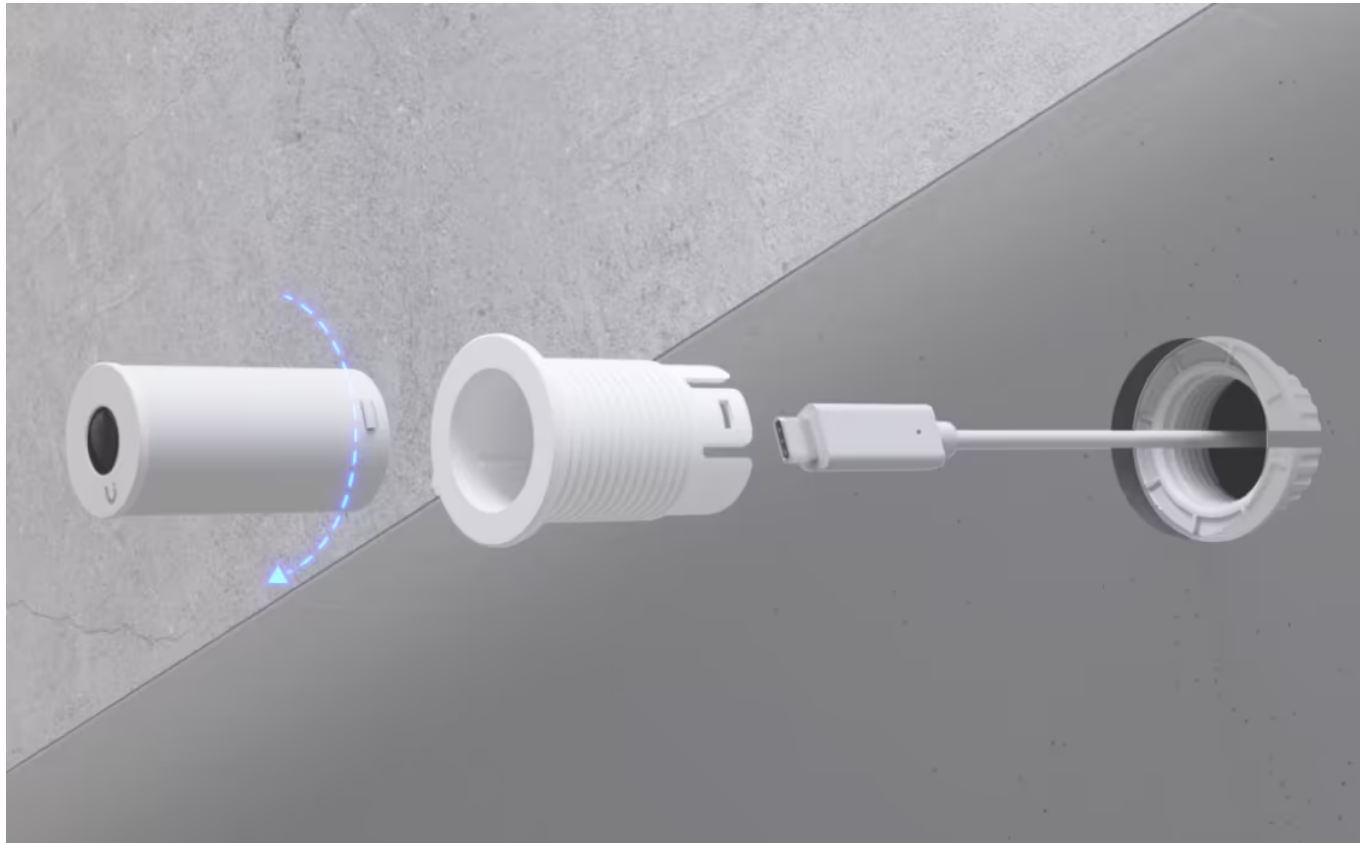

Regulatory Approvals	FCC, IC, CE
Height	38 mm
LED indicators	Activity
Sensor type	CMOS
Auto focus	Yes
Width	140 mm
Depth	70 mm
Connectivity technology	Wired & Wireless
Maximum resolution	3264 pixels
Field of view (FOV) angle	360 °
Live view	Yes
Compliance certificates	CE
Frame rate	24 frames per second
Humidity measurement range	10 - 90%
Ethernet LAN (RJ-45) ports	1
DC output voltage	36
DC output current	0.5 A
Video compression formats	H.264
Number of cameras	1
Smartphone/tablet remote support	Yes
IFU / User manual	Yes
Operating temperature (T-T)	-20 - 40 °C

Ethernet interface type	100 Gigabit Ethernet
Reset button	Yes
PTZ control	Yes
Web-based management	Yes
Power consumption (Power over Ethernet (PoE))	12.5 W
Total megapixels	12 MP
Video formats supported	H.264
Remote viewing	Yes
Ethernet LAN	Yes
AC input voltage	5 V
Mobile operating systems supported	Android
Power source type	DC
Built-in processor	Yes
Product colour	White
Watch case material	Aluminium
Type	IP security camera
Designation	Indoor & outdoor
Product weight	330 g

Full product description

Meet the Ubiquiti UVC-AI-Theta - an advanced camera suite that delivers unparalleled video quality and security with AI technology and 4K resolution!

Featuring a wide viewing angle and AI processing, this low profile camera set is ideal for both indoor and outdoor surveillance. With UniFi Protect and PoE, this camera set provides easy installation and management, while guaranteeing exceptional image quality and reliability.

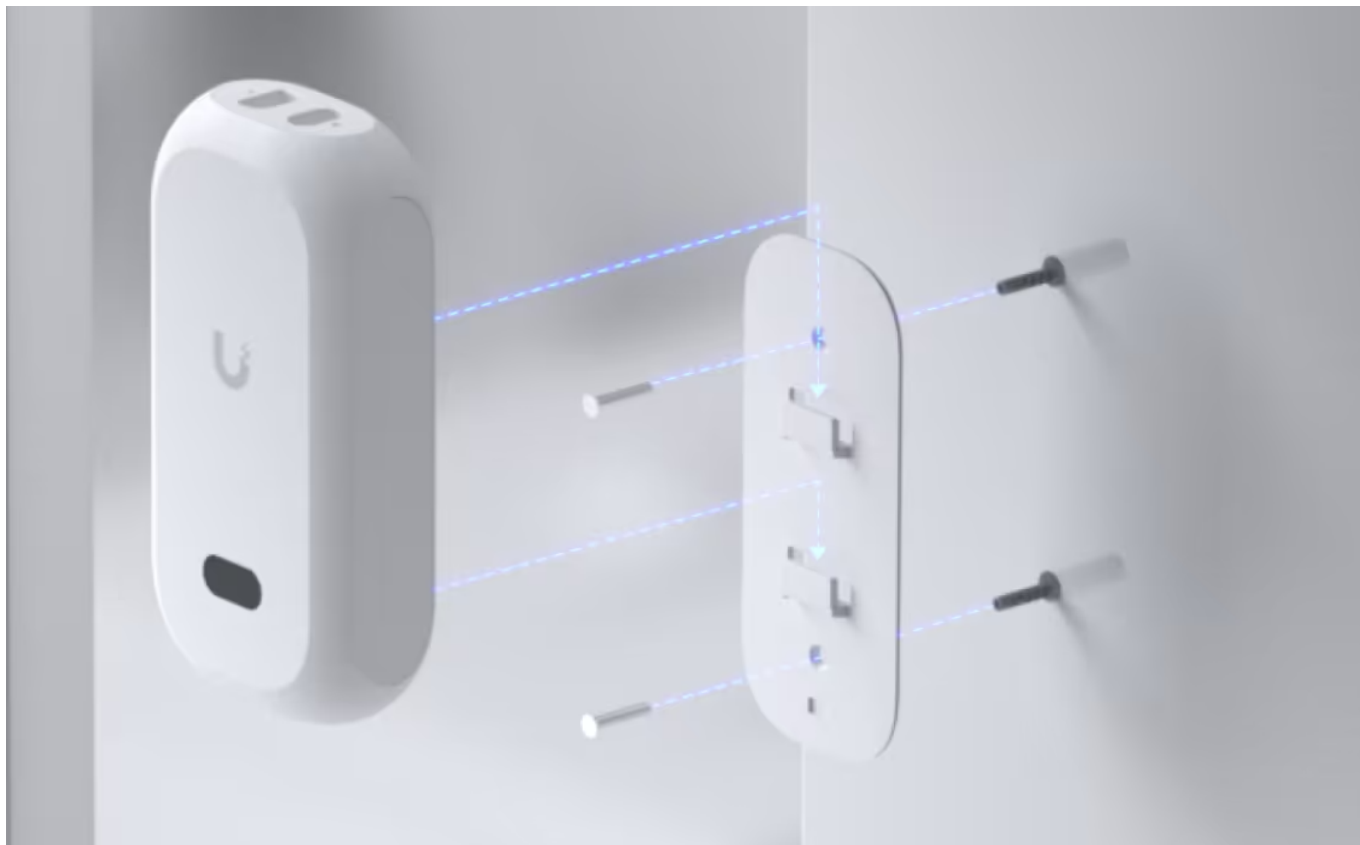

Advanced AI processing

The device uses advanced AI technologies to automatically detect and identify people and license plates. This enables precise monitoring and tracking of key events, increasing the security and efficiency of the monitoring system. AI theta professional is an indispensable tool for modern monitoring.

Exceptional image quality

The camera set offers 4K (8MP) and 9MP resolution for crystal clear images and detail. The AI theta camera is equipped with a wide-angle lens that offers a 180° field of view, as well as a 360° lens, providing a full all-around view. As a result, regardless of lighting conditions, the camera provides exceptional image quality, even in low-light conditions.

Mounting flexibility and PoE

The Ubiquiti UVC-AI-Theta is equipped with a PoE hub for easy installation and powering cameras with a single Ethernet cable. The kit includes a variety of mounting options, including suspended or coffered ceiling, for flexibility and installation convenience. The camera's low profile makes it unobtrusive and aesthetically pleasing, blending in perfectly with its surroundings.
