Price: **1,657.40 zł** gross / 1,347.48 zł net

Manufacturer: UBIQUITI

Referention number: DNXXGHIJHRMLPL

Product features

Height	111 mm
LED indicators	Yes
Connectivity technology	Wired
Maximum resolution	3840 pixels
Mounting kit	Yes
Compliance certificates	CE
Audio system	2-way
Frame rate	30 frames per second
Power consumption (max)	20 W
Night mode	Yes
Humidity measurement range	10 - 90%
Light sensor	Yes
Swivel angle	360 °
Cable length	0.3 m
Ethernet LAN (RJ-45) ports	1
IK code	IK08
DC output voltage	42.5
Number of cameras	1
Smartphone/tablet remote support	Yes
Number of lenses	1
Weatherproof	Yes
Image quality adjustment	Brightness

Protection features	Vandal proof
Built-in light	Yes
Operating temperature (T-T)	-30 - 50 °C
LED type	IR
Ethernet interface type	Gigabit Ethernet
Privacy masking	Yes
Reset button	Yes
Text caption overlay	Yes
PTZ control	Yes
Pan range	0 °
Screws included	Yes
Card reader integrated	Yes
Built-in microphone	Yes
Web-based management	Yes
Total megapixels	8 MP
Compatible memory cards	MicroSD (TransFlash)
International Protection (IP) code	IP66
Remote viewing	Yes
Infrared (IR) cut-off filter	Yes
Luminous flux	400 lm
Ethernet LAN	Yes
Built-in speaker(s)	Yes
Mobile operating systems supported	Android
Processor model	ARM Cortex-A53
Supported video modes	2160p
Power source type	DC
Built-in processor	Yes
Night vision distance	40 m
License plate recognition	Yes
Camera tilt control	Yes
Camera pan control	Yes
Tilt angle range	0 °
Product colour	White
Mounting hardware type	Ceiling/Wall
Watch case material	Aluminium
Type	IP security camera
Diameter	118 mm
Designation	Indoor & outdoor
Product weight	990 g

Full product description

Ubiquiti UVC-AI-Turret-W - 4K IP Camera with AI and PoE.

The **Ubiquiti UVC-AI-Turret-W** is a high-quality **IP camera** designed to monitor outdoor areas of buildings using 4K technology. With a **combination of AI, PoE , built-in microphone** and **built-in IR LEDs**, the device provides high-quality video monitoring, even in harsh lighting conditions. **UniFi Protect** makes it easy to manage the camera and provides full monitoring control, allowing users to safely observe the space from anywhere.

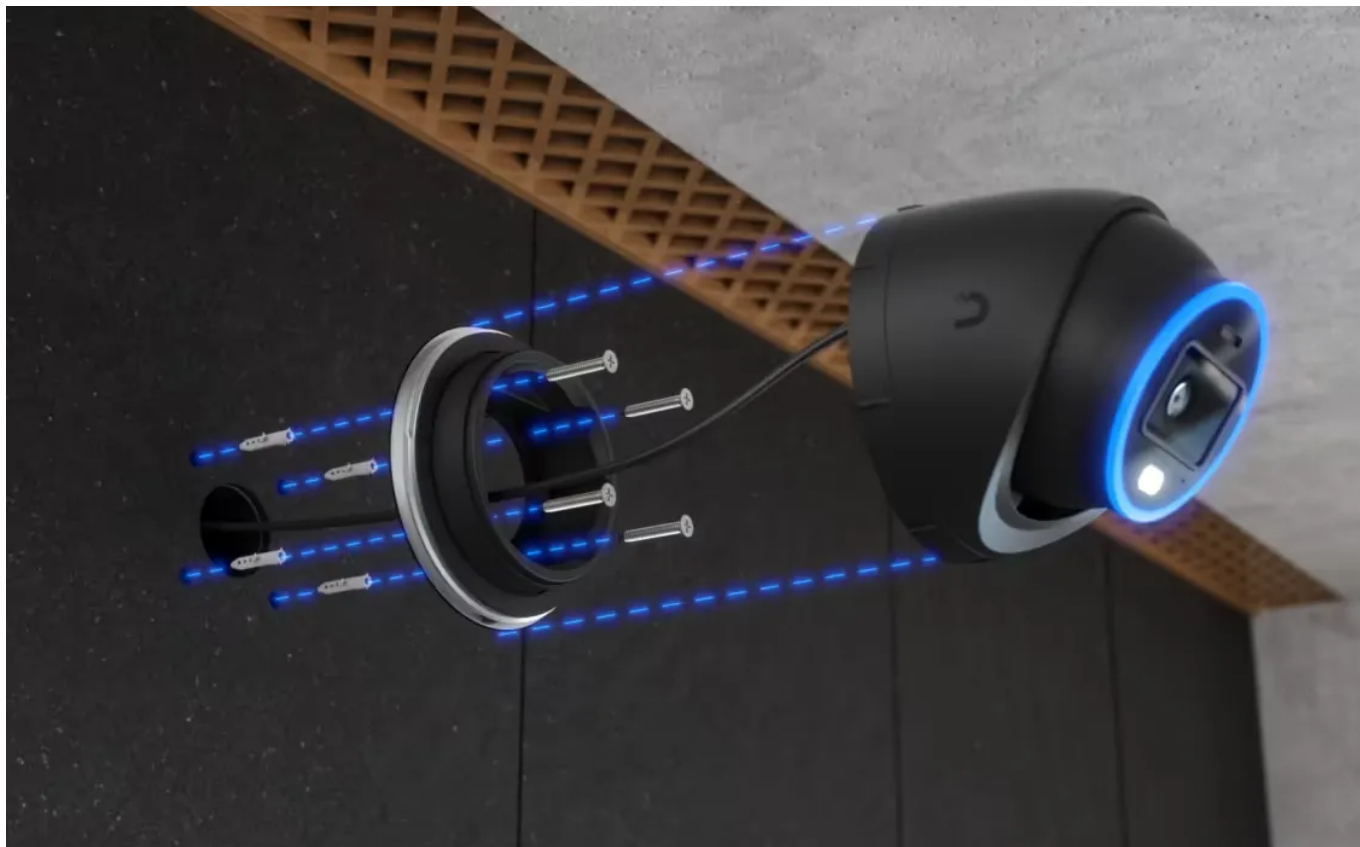

High image quality in 4K resolution

The **Ubiquiti UVC-AI-Turret-W** camera offers an **8MP 3840 x 2160 (4K) resolution**, which provides extremely detailed images for recognizing details even at long distances. This allows you to accurately monitor and record events in the surveillance area. **Video in 4K quality** allows you to better capture important details, such as faces and license plates.

Built-in infrared IR lighting

The camera is equipped with **built-in IR LEDs** that provide visibility up to 40 meters (131 feet) in the dark. The **IR cut filter** eliminates interference and improves image quality at night, providing clear images regardless of lighting conditions. This makes **the IP camera** ideal for use at night or in poorly lit areas, providing continuous monitoring.

Integration with UniFi Protect and AI features

The camera works with the **UniFi Protect** system for easy configuration, management and video viewing. **The AI function** enables motion detection and event classification for more accurate monitoring. With a built-in **microphone** and **speaker**, the IP camera offers two-way communication for added versatility in security applications.

PoE power supply and weatherproofing

The Ubiquiti UVC-AI-Turret-W supports PoE , allowing the camera to be powered via a single Ethernet cable, simplifying installation. Thanks to the **IP66** standard, the camera is weatherproof, making it ideal for outdoor installation. **IK08 resistance** provides additional protection against mechanical damage.
