Full product description

EXTRALINK PIGTAIL SC/APC DROP SM SIMPLEX G.657A2 20M

A **20m long fiber optic pigtail with SC/APC connector**. It is made of drop cable, its sheath has been fully adapted for outdoor use. The pigtail uses **G.657.A2 fiber**. Thanks to its high flexibility, the product can also be used indoors without problems. The diameter of the cable is **about 3 mm**. The offered product is ideal for use in places where it is not possible to run the cable with the ends welded. At the same time, the weld needs to be made only on one side, which improves the work of the installer.
