Price: **1,703.91 zł** gross / 1,385.29 zł net

Manufacturer: UBIQUITI

Referention number: DNXXGKPPDRMMKI

Product features

Regulatory Approvals	CE, FCC, IC
Height	35.1 mm
Sensor type	CMOS
Width	51.7 mm
Depth	160.6 mm
Connectivity technology	Wired
Storage temperature (T-T)	10 - 90 °C
Audio system	2-way
Night mode	Yes
Best uses	Home
IFU / User manual	Yes
Weatherproof	Yes
DC input voltage	37 V
Night-light	Yes
Operating temperature (T-T)	-30 - 40 °C
LED type	IR
Ethernet interface type	Gigabit Ethernet
Reset button	Yes
Maximum video resolution	1600 pixels
Maximum frame rate	30 frames per second
Screws included	Yes
Built-in microphone	Yes

Built-in camera	Yes
International Protection (IP) code	IPX4
RJ-45 ports quantity	1
Built-in speaker(s)	Yes
Power source type	PoE
Built-in processor	Yes
Megapixel (approx.)	5 MP
Product colour	Black
Mounting hardware type	Wall
Watch case material	Aluminium
Product weight	264 g

Full product description

Superior image and sound quality

At the heart of the kit is the **Ubiquiti UVC- G4- Doorbell Pro** with a high-resolution camera, featuring a **5 MP** main camera and **8 MP** secondary cameras. The camera provides sharp, clear images, capturing the finest details. In addition, **night vision** features enable continuous monitoring around the clock. Real-time two-way **audio** communication allows direct conversation with guests, increasing **security** and **comfort** levels .

Durability and reliability in all conditions

The **UniFi Protect G4 Doorbell Pro PoE Kit** is designed for long-lasting performance. Robust materials and an **IPX4-rated** housing make the device resistant to various weather conditions. Whether installed indoors or outdoors, you can rest assured that your doorbell will work reliably, **regardless of the weather**.

Easy installation and configuration

Installation of the kit is extremely easy, making it accessible to both **professionals** and DIY enthusiasts. All **necessary mounting hardware** is included. The **PoE (Power over Ethernet)** feature further simplifies installation by eliminating the need for additional **power cables**.
