Price: **776.89 zł** gross / 631.62 zł net

Manufacturer: UBIQUITI

Referention number: DNXXGKNKDRMLOO

Product features

Regulatory Approvals	FCC, IC, CE
Sensor type	CMOS
Depth	64.2 mm
Connectivity technology	Wired
Maximum resolution	2688 pixels
Mounting kit	Yes
Cables included	LAN (RJ-45)
Frame rate	30 frames per second
Noise reduction	Yes
Night mode	Yes
Power consumption (typical)	5 W
Humidity measurement range	0 - 90%
Ethernet LAN (RJ-45) ports	1
IK code	IK08
Video compression formats	H.264
Number of cameras	1
Number of lenses	1
Image quality adjustment	Brightness
Operating temperature (T-T)	-20 - 40 °C
LED type	IR
Ethernet interface type	Fast Ethernet
Reset button	Yes

Built-in microphone	Yes
Total megapixels	5 MP
Noise reducing technology	3D noise reduction
International Protection (IP) code	IPX4
Wi-Fi	No
Bluetooth	No
Ethernet LAN	Yes
AC input voltage	37 V
Built-in speaker(s)	Yes
Number of sensors	1
Built-in HDD	No
Processor model	ARM Cortex-A7
Power source type	PoE
Built-in processor	Yes
Night vision distance	10 m
Camera pan control	Yes
Product colour	White
Mounting hardware type	Ceiling/Wall
Watch case material	Aluminium
Type	IP security camera
Diameter	109.2 mm
Designation	Indoor & outdoor
Product weight	390 g

Full product description

UVC-G5-Dome - IP security camera for indoor and outdoor applications

If you are looking for a modern and versatile camera to monitor your property, business or home, then the **Ubiquiti UVC-G5-Dome** is the perfect solution for you. It's an IP security camera from **Ubiquiti** that offers high quality day and night images, easy installation and operation, and compatibility with other Ubiquiti devices.

Key features of the UVC-G5-Dome camera

High quality picture and sound

The UVC-G5-Dome has a resolution of 5 MP and records 2K HD (2688 x 1512 px) video at 30 fps. This allows you to enjoy smooth and detailed images from every corner of the monitored area. The camera also has a night mode with infrared LEDs that provide visibility up to 10m in the dark. The camera has a built-in microphone and speaker, so you can not only see, but also hear and talk to people within range of the camera.

Easy installation and operation

The **UVC-G5-Dome is a dome camera**, which means it is **dome-shaped** and can be mounted **on the ceiling or wall**. The camera has a sleek and unobtrusive design that fits into any interior or facade. **The camera is powered by PoE** (Power over Ethernet), which means it doesn't need an additional power source - just connect it to the LAN via an Ethernet cable. The camera is compatible with the **UniFi Protect** system, which allows you to manage your cameras and recordings via a mobile app or web browser. You can also connect the camera to other Ubiquiti devices, such as routers, switches.

Compatibility with other Ubiquiti devices

The **UVC-G5-Dome** is part of the **UniFi Protect family**, which offers comprehensive video surveillance solutions. You can combine the camera with other Ubiquiti devices, such as:

With these devices, you can create your own video surveillance network for security and peace of mind.

The UVC-G5-Dome is an IP security camera from Ubiquiti that offers:
