Manufacturer: UBIQUITI

Referention number: DNXXGGLNHRMMLI

Information:

Ubiquiti UVC-G5-PTZ is a professional 2K (4 MP) IP camera with PTZ functionality, 2x optical zoom, and the ability to remotely pan, tilt and zoom the image. It provides detailed monitoring of large areas in the home, office and commercial spaces. Thanks to the IR diode and white LED, it offers a clear image at night up to 20 m, while the IR cut filter automatically adapts operation to lighting conditions. The durable aluminium and polycarbonate housing, together with IP66 and IK04 ratings, guarantees resistance to rain, dust and damage, and the operating range from -30°C to 45°C ensures reliability in harsh conditions. Integration with UniFi Protect makes management and installation easier.

Product features

Height	90 mm
Sensor type	CMOS
Connectivity technology	Wired
Maximum resolution	2688 pixels
Mounting kit	Yes
Night mode	Yes
Humidity measurement range	0 - 90%
Ethernet LAN (RJ-45) ports	1
IK code	IK04
DC output voltage	37
Number of cameras	1
Weatherproof	Yes
Operating temperature (T-T)	-30 - 45 °C
LED type	IR
Minimum aperture number	1.85

Maximum aperture number	2.4
Ethernet interface type	Fast Ethernet
PTZ control	Yes
Built-in microphone	Yes
Lens viewing angle, diagonal	121 °
Total megapixels	4 MP
International Protection (IP) code	IP66
Wi-Fi	No
Bluetooth	No
Ethernet LAN	Yes
Number of sensors	1
Built-in HDD	No
Power source type	DC
Night vision distance	20 m
Product colour	White
Mounting hardware type	Wall/Pole
Type	IP security camera
Diameter	152.5 mm
Designation	Indoor & outdoor
Product weight	580 g

Full product description

Ubiquiti UVC-G5-PTZ - Professional PTZ IP Camera for Advanced Monitoring

Ubiquiti UVC-G5-PTZ is an advanced IP camera with 2K resolution (4 MP), designed for demanding users. Thanks to the PTZ function (Pan, Tilt, Zoom), 2x optical zoom and IP66 weather resistance, the device delivers reliability and precision in both indoor and outdoor monitoring. Ideal for use in homes, offices or large commercial spaces.

High image quality and PTZ function

Ubiquiti UVC-G5-PTZ offers **2K resolution (2688 x 1512 px)**, which guarantees a detailed and clear image. Thanks to the **PTZ** function, you can remotely pan, tilt and zoom the camera, allowing precise supervision of large areas. 2x optical zoom enables accurate close-up of interesting details without loss of video quality.

Night vision and IR illumination

The camera is equipped with an **IR LED** and white LED light, which provide a clear image at night at a **distance of up to 20 m**. Thanks to **IR cut filter** technology, the device automatically adapts to lighting conditions, ensuring optimal visibility even in complete darkness. An ideal solution for places requiring 24-hour monitoring.

Weather resistance

Thanks to the housing made of **aluminium and polycarbonate** and the **IP66 certification**, the camera is resistant to rain, dust and harsh weather conditions. It can operate across a wide temperature range, **from -30°C to 45°C**, making it reliable in any environmental conditions. **IK04 resistance** protects the device against impacts and mechanical damage.

Easy installation and integration with UniFi Protect

The camera supports **UniFi Protect**, enabling easy management and monitoring via mobile apps or a web browser. Wall or pole mounting is simple thanks to the included brackets.
