Full product description

Ubiquiti UVC-G6-PTZ-B high-quality IP camera for advanced surveillance

The **Ubiquiti UVC-G6-PTZ-B** IP camera is the perfect solution for advanced video surveillance. With **4K, 8MP** resolution and **10x hybrid zoom**, it offers extremely clear, high-quality images. **The Ubiquiti IP camera** is weatherproof, ensuring reliability in harsh outdoor environments.

High 4K resolution

The camera offers **4K (3840x2160) resolution**, which provides detailed and clear images. This makes it easy to capture every detail in the monitored area. The camera's **8MP** sensor allows for excellent image quality even in low light.

10x hybrid zoom

The **Ubiquiti UVC-G6-PTZ-B** camera is equipped with a **10x hybrid** zoom, allowing you to zoom in precisely on an object of interest. Thanks to the zoom, you will get a clear image from a long distance, which increases the effectiveness of monitoring. **The optical** zoom allows you to maintain high image quality when zooming in.

Built-in IR and infrared

The camera has **built-in IR LEDs** that provide **night visibility up to 30 m** (98 ft). This makes **monitoring at night** as effective as during the day. The **IR** allows you to capture details even in total darkness, enhancing security.

Weather resistance

The **Ubiquiti IP camera** has been designed to work in harsh environments. Thanks to its **IP66** rating, the device is **resistant to dust and rain**. It can be installed outdoors, fully resistant to changing weather conditions such as rain, snow and high humidity.
