ZMI 20K Pro 20000mAh power bank with 65W output power

The **ZMI 20K Pro 20000mAh** is a two-in-one power bank. It **can be used as a USB hub and charger** for compatible devices, supporting a wide list of gadgets including **Apple and Android** products. The USB input/output ports feature **fast charging technology**, so you can expect your device to be charged in just 3 hours. The **maximum power of 65 watts** allows you to charge your laptop and other devices at the same time.

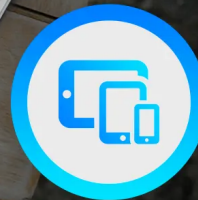

It can be stored in a handbag,
backpack or even a sachet

Multiple device charging options

The **ZMI 20K Pro 20000mAh Power Bank** features three USB ports. You can charge any **USB-C** device and the device itself using the **65W QC 2.0/Power Delivery 3.0 USB-C** bi-directional input/output port . The device is compatible with **Nintendo Switch, iPad Pro, Mi 9**, and all laptops that require up to 65W of power to charge. It also has **two Quick Charge 2.0/3.0 USB-A output ports** that can replenish power in compatible devices. Using all three USB ports, **you can charge three devices simultaneously.**

**Charges Nintendo Switch, iPad Pro
and any laptop requiring
up to **65W** to charge**

**Charges
3 devices
simultaneously**

Charging the ZMI 20K Pro Power Bank is very easy and fast. Charging takes about 3 hours using a 5-20V DC 45W USB PD adapter, 5.5 hours using a 9V/2A | 12V/1.5A adapter, and 9.5 hours using a 5V/2A adapter. Be sure to use a high quality charging cable.

Lightweight and easy to carry

The **power bank also acts as a USB hub (USB hub)**. This means that you can plug it into your laptop and connect a USB keyboard, mouse, flash drive or external hard drive to it. To use HUB mode, simply press the power button twice and again to exit. The device can also power smaller devices such as smartwatches, Bluetooth headphones, fitness trackers, etc. **Pass-through charging (pass-through mode) is also supported**, so you can easily charge the ZMI Power Bank and your connected devices at the same time.

Two USB-A connections with **Quick Charge 2.0/3.0**
