Information:

A colourful 1 litre water bottle for a child is a practical and convenient everyday companion for school, nursery, trips and training sessions. The large capacity helps maintain proper hydration throughout the day, while the two mouthpieces – foldable and open – ensure comfortable drinking in any situation. The bottle is made from durable, safe plastic that is resistant to damage and does not absorb odours, so the drink stays fresh. The adjustable handle makes it easy to carry, and the cheerful design encourages the child to drink water more often.

Full product description

Your child's unique companion for every day

Looking for the perfect water bottle for your child, which will be a reliable companion during school, trips or daily activities? The 1 liter water bottle is the perfect choice! With its colorful and cheerful aesthetics, it makes drinking water a pleasure, while helping to form a healthy habit of regular hydration. It's a practical gift that combines functionality with aesthetics, giving your child joy every day.

Large capacity and convenient to use

Bidon with a capacity of as much as 1 liter is a guarantee that your child will always have enough water on hand. The large capacity makes the bottle perfect for school, as well as for long trips or sports training. In addition, two mouthpieces - foldable and open - allow easy and convenient drinking in any situation. This is ideal for children who need quick access to a drink during activity.

Durability and safety

The bottle is made of high-quality, durable plastic, which is safe for your child's health. This material is not only resistant to mechanical damage, but also does not allow odors to pass through, which ensures the freshness and taste of the drink throughout the day. In addition, the safe straw provides comfort, and you can rest assured that every drop of water will be clean and healthy.

Everyday practicality

The bidon is designed with everyday convenience in mind. Equipped with an adjustable handle, it is extremely easy to carry - whether your child is going to the gym, a bike ride, camping or school activities. The handle can be adjusted to fit in the palm of your hand, making it more comfortable and ensuring that the bottle will always sit securely in your hand.

Perfect for every day and every occasion

Whether your child goes to school, goes on a trip or participates in sports activities, the bidon will be an indispensable companion. It is not only a functional accessory, but also an item that supports a healthy lifestyle and helps to ensure proper hydration every day. Make your child enjoy every day with our bottle, which combines practicality, durability and style.
