### Information:

A complete set of three water bottles with capacities of 2000 ml, 900 ml and 300 ml is a practical solution for home, work, training and travel. Hour markings and motivational slogans help you drink water regularly and build a healthy hydration habit. Each bottle has been designed with convenience in mind: the large model has a handle and a wide mouthpiece, the medium one has quick opening, and the small one has a wrist strap. Durable, safe materials and leak-proof closures protect against leaking, while the modern design with a gradient finish makes the set both functional and stylish.

### Full product description

### Complete set for every occasion

A set of three water bottles with capacities of **2000 ml, 900 ml and 300 ml** is a practical solution that will work **at home, at work, during training and while travelling**. Thanks to the different sizes, you can always **match the bottle to the situation** – from all-day hydration to a quick trip out of the house.

### Motivation to drink regularly

Each bottle has **hour markings and motivational slogans**, which encourage you to reach for water regularly. It is a **simple and effective method** to maintain the proper level of hydration without having to count glasses or remind yourself to drink.

### Functionality and ease of use

The bottles have been designed with **everyday comfort**. The largest model has a handy handle and a **wide mouthpiece**, the medium bottle is equipped with a practical flap for **quick opening**, and the smallest has a **wrist strap**, making sure everyone will find the ideal solution for themselves.

## Durability and safety

Made from **durable materials**, the bottles are resistant to damage and **safe in contact with water**. Solid closures **protect against leaking**, so you can always have them with you – in a backpack, sports bag or in the car – **without worrying about spilling things**.

## A healthy habit in an attractive form

Thanks to the variety of sizes and the aesthetic design, the set of bottles not only helps you take care of your health, but **also pleases the eye**. The gradual colour transition and modern design make the bottles a fashionable accessory that **motivates you to drink water every day** and supports an active lifestyle.
