Full product description

Practicality and style in one

Wanbo Bag is an elegant and functional solution created specifically for Mozart 1, Mozart 1 Pro and Davinci 1 Pro, Vali 1 models. With durable materials and a perfect fit, this bag will take care of the full protection of your device, while ensuring the convenience of transportation.

Wanbo - durability for every occasion

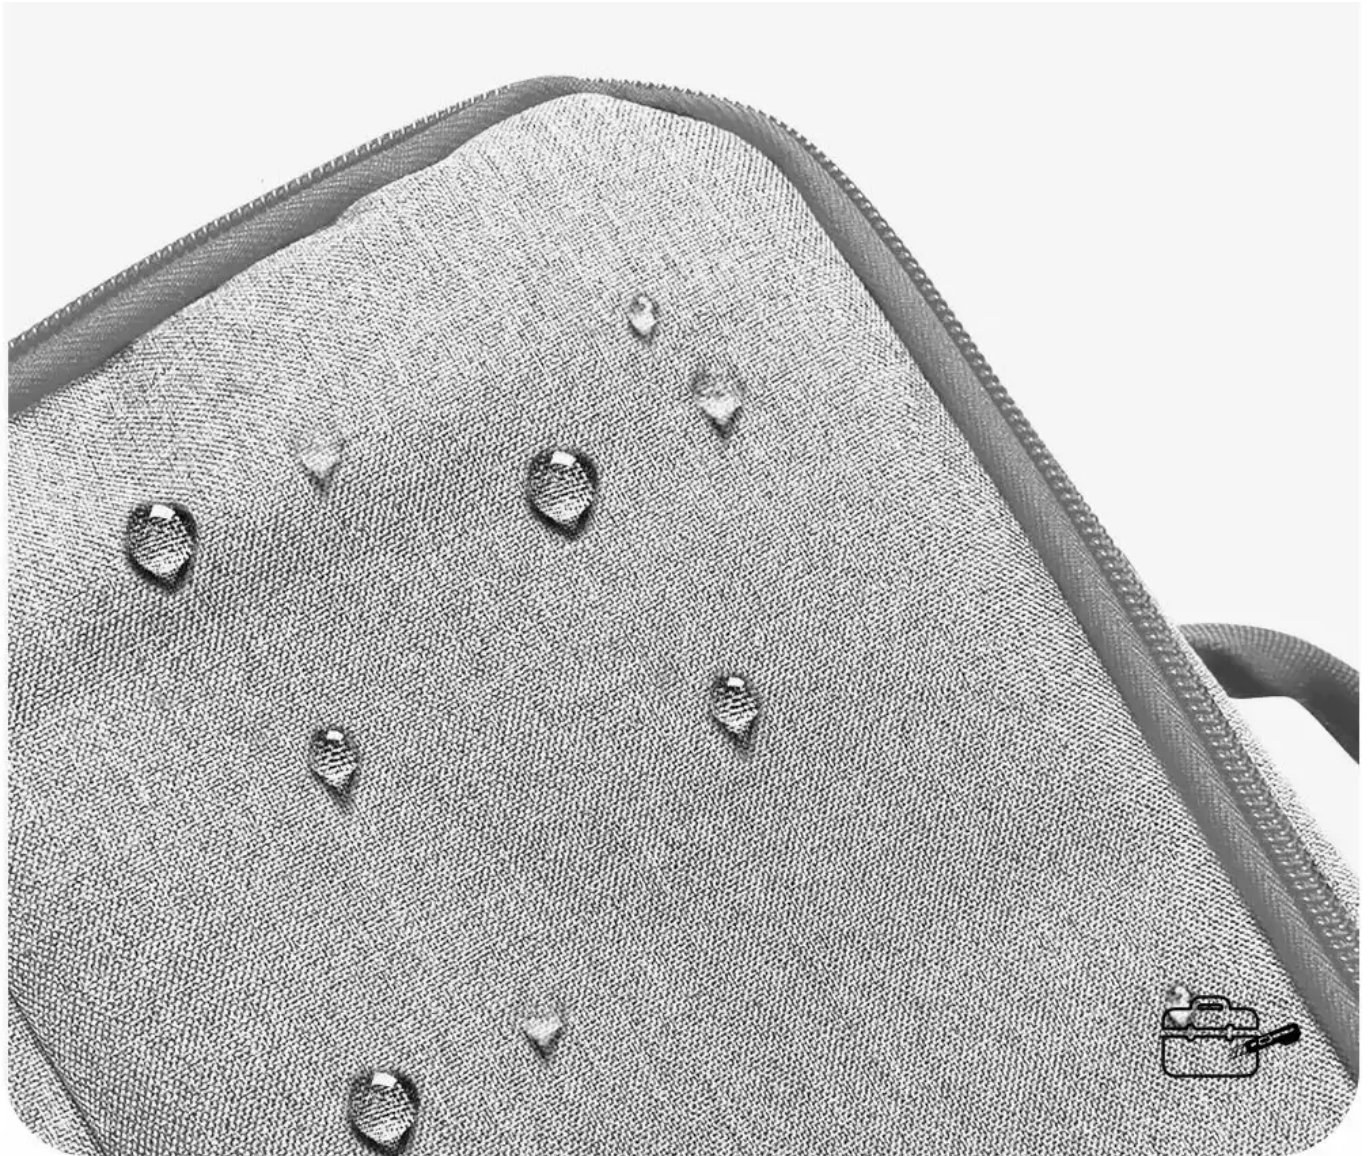

The Wanbo Bag is **made of 300D frosted oxford fabric**, which provides maximum protection for the projector from mechanical damage and external factors. The material is not only durable, but also resistant to abrasion and scratches, ensuring the product's long-lasting durability. This makes the product perfect for transporting and storing your projector, no matter where you go.

Light Grey

Wanbo - excellent protection and style

The Wanbo bag offers not only functionality, but also a stylish look. **The light gray color** makes the bag look modern, and its minimalist design fits perfectly in any interior. This makes **the Wanbo Bag** not only a tool to protect your equipment, but also a fashionable accessory to take with you to any meeting or trip.

Wanbo - convenience of use

Thanks to its thoughtful design, the Wanbo Bag is extremely convenient to use. It has an ergonomic handle that ensures comfortable transportation, even if you have to carry the bag for a long time. The bag's size of **310x210x240 mm** allows it to perfectly fit the **Mozart 1**, **Mozart 1 Pro** and **Davinci 1 Pro**, **Vali 1 models**, guaranteeing stability and safety while carrying.

Wanbo - versatility of application

The Wanbo Bag is not only a protection for your projector, but also a practical solution for storing additional accessories. Inside the bag you will find **enough space for power supplies, cables or remotes**, making sure everything you need is always at hand. Wanbo keeps things neat and organized, making carrying your equipment easier and more comfortable.
