Full product description

A handy bag for Xiaomi scooters and more

Wild Man 3L Storage Bag is a bag for electric scooters from **Xiaomi** and other manufacturers. Moreover, it is also ideal for **bikes or scooters**. The scooter bag is made of **rainproof** PU fabric. The zipper is also made of highly waterproof material.

Wild Man 3L bag features

- It is made of hard, pressed housing
- Extremely lightweight, drop-resistant and difficult to deform
- Moisture resistant
- Reflective logo for safer night travel
- Carbon fibre-like surface
- Capacity of about 3l

Spacious interior, a multitude of compartments and pockets

The clever design of the Wild Man 3L storage compartment makes it easy to take all the essentials with you on a journey. A mesh pocket inside prevents valuable items such as mobile phones from moving and damaging. The high hardness prevents crushing, effectively protecting the contents from mechanical damage. The water-resistant material limits the penetration of moisture into the bag as much as possible.

Easy mounting

Sakwah Wild Man 3L is extremely easy to mount and no tools are required. The whole assembly is done with adjustable straps, which effectively and steadily hold the bag in place.
