Price: **169.00 zł** gross / 137.40 zł net

Manufacturer: XIAOMI

Referention number: DNXGHHMSERMMKH

Product features

Charging source	USB
Height	143 mm
Input voltage	20 V
Output voltage	20 V
LED indicators	Yes
Width	48 mm
Depth	36 mm
Input current	4.5 A
Shape	Rectangle
Cables included	USB Type-C
Battery capacity	10000 mAh
Battery capacity	36 Wh
Charger compatibility	Mobile phone/Smartphone
USB Type-C ports quantity	1
Protection features	Overcharge protection
Power protection features	Charge overcurrent
USB Type-C connector	Yes
On/off switch	Yes
Output current	3 A
Total output power	165 W
Built-in radio	No
Input interface	USB Type-C

Battery technology	Lithium-Ion (Li-Ion)
Product colour	Black
Number of simultaneously connected devices (max)	1
Built-in display	Yes

Full product description

Xiaomi 165W Power Bank 10000mAh - Power that changes the rules of the game!

Experience a new dimension in mobile charging with the **Xiaomi 165W Power Bank 10000mAh**, which will allow you to charge smartphones, tablets and even laptops in record time. Equipped with **165W of power**, it provides fast and safe charging while supporting multiple devices at the same time. The compact design, **color display** and built-in USB-C cable make it an indispensable companion in any situation!

Extreme charging power

With **165W of power**, this **Xiaomi powerbank** is capable of charging even the most demanding devices, such as laptops and consoles. **The built-in USB-C cable** allows fast charging of **up to 120W**, and the additional USB-C port supports charging of **up to 45W**. As a result, you can charge your devices in just a dozen minutes, saving time and energy.

High capacity and performance

With a **capacity of 10,000mAh**, the powerbank is capable of charging a smartphone or tablet several times. **The built-in lithium-ion battery** ensures stable performance and long life. With a minimum capacity of 5500mAh (5V/4A), you can be sure of reliable power in any situation.

Compact design with display

The Xiaomi 165W powerbank is not only functional, but also aesthetically pleasing. **Its compact size (143 x 48 x 36 mm)** makes it fit in any pocket or bag. **The color display** allows you to monitor the charge level, voltage and power output in real time, which makes using the device even more intuitive.

Safety and versatility

The Xiaomi Power Bank 10000 165W is designed with user safety in mind, offering numerous protections against overcharging, overheating and short circuits. With **support for multiple devices**, from smartphones and tablets to laptops and iPhones, it's a versatile solution for everyone. You can charge up to two devices simultaneously, saving time and energy.
