Full product description

Xiaomi Air Fryer 6L - air fryer for the whole family. Healthy and delicious cooking

Xiaomi Air Fryer 6L is an appliance that will allow you to prepare healthy and delicious food with little oil. Thanks to its **360° hot air circulation technology**, food is evenly heated and crispy on the outside, and juicy and moist on the inside. You can fry, bake, thaw and ferment a variety of foods, such as French fries, chicken wings, pizza, yogurt and much more

Key features and functions of Xiaomi Air Fryer 6L

Adjustable capacity and temperature

The Xiaomi Air Fryer 6L has a **large 6-liter food basket** that can be customized. Simply place the frying tray on the top or bottom level to change the capacity to 3 or 6 liters. So you can cook for yourself, friends or family, depending on the occasion. The appliance also has a wide temperature range **from 40°C to 200°C**, which can be easily set using **the smart touch panel**. You can choose from several automatic programs or adjust the time and temperature according to your preferences.

Comfortable and safe use

Xiaomi Air Fryer 6L is easy to use and clean. It has a **shake reminder function** that helps you get better frying results. It also has a **smart start/pause function** that automatically stops cooking when you remove the basket. The basket and tray have a **two-layer non-stick coating** that is wear-resistant and easy to clean. The unit also has a built-in **NTC temperature sensor** for precise heat control and energy efficiency.

Healthy and delicious cooking

Xiaomi Air Fryer 6L is the ideal air fryer for anyone who wants to enjoy healthy and tasty cooking. You can prepare a variety of dishes with a small amount of oil, adjust the capacity and temperature as needed, and enjoy convenient and safe functions.
