Full product description

Xiaomi Bluetooth Speaker Mini - Compact wireless speaker with great capabilities

The Xiaomi Bluetooth Speaker Mini is the perfect solution for those who appreciate mobility and high quality sound. Equipped with Bluetooth 5.3, NFC, and a capacious 2000mAh battery, this speaker will work well both at home and on the go. In addition, thanks to its IP67 certification, it is dust and splash resistant, making it the perfect companion for any occasion.

Exceptional sound quality in a compact package

Despite its small size, the Xiaomi Bluetooth Speaker Mini delivers powerful and clear sound thanks to **two full-range speakers of 3W each** and a built-in passive radiator that enhances the bass. It's ideal for listening to music, podcasts, or movies, providing an exceptional audio experience anywhere.

Modern Bluetooth and NFC technology

With the latest **Bluetooth 5.3** technology, the speaker offers a stable wireless connection with a range of up to 10 meters. Fast device pairing via NFC allows you to start listening to your favorite music in no time. Wireless convenience and quick connectivity make this the ideal wireless speaker for anyone who values convenience.

Long battery life and fast charging via USB-C

Equipped with a **2000mAh battery**, the Xiaomi Bluetooth Speaker Mini offers long playback time, allowing you to listen to music for hours without charging. When the battery runs out, a quick charge via the **USB-C** connector makes the speaker ready to go further in no time. The perfect companion for road trips, picnics and outdoor gatherings.

Water resistance and durability

With **an IP67 rating**, the Xiaomi Bluetooth Speaker Mini is dust and water resistant, which means you can use it in harsh conditions, such as at the beach, pool or during rainy days. This makes the portable speaker ideal for active people who need reliable equipment in all conditions.
