Built-in display	No
Product weight	433 g

Full product description

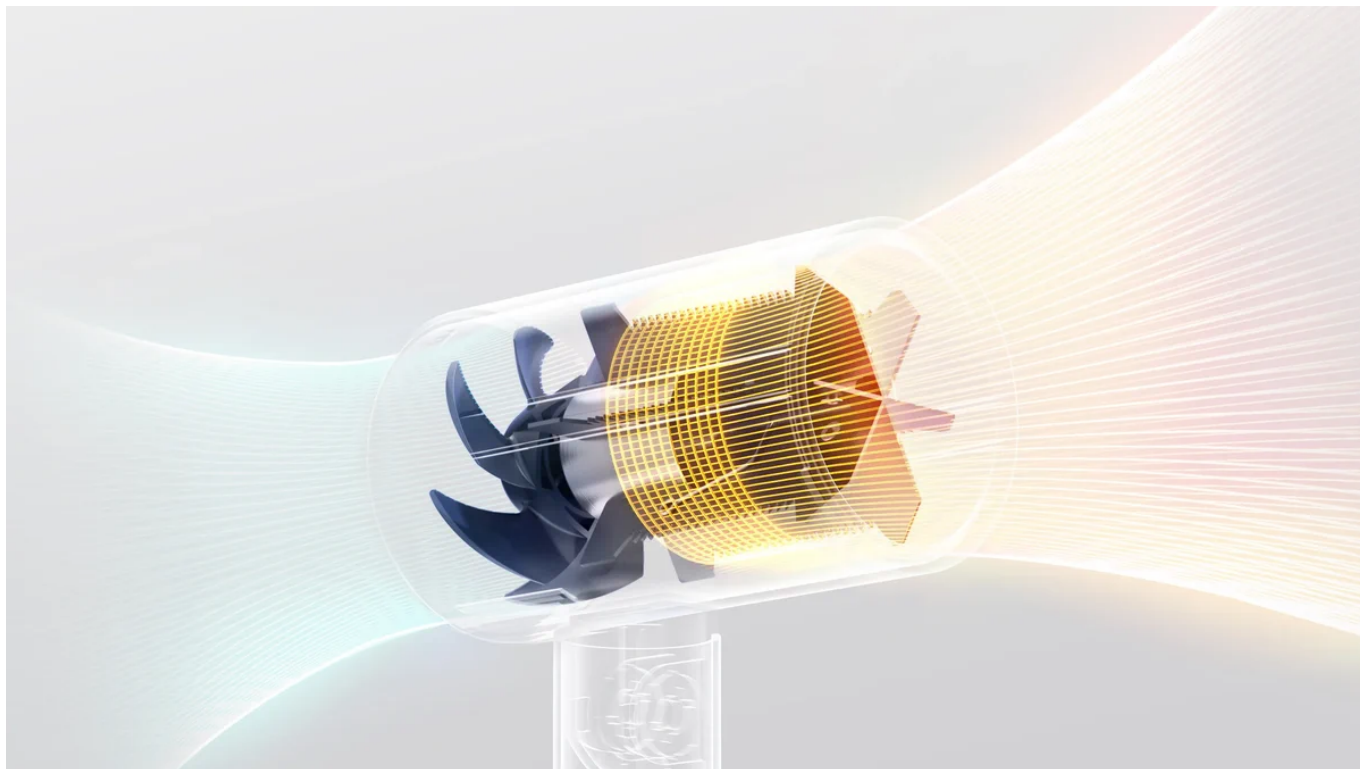

Xiaomi H101 Hair Dryer: Travel-friendly design meets high performance

The **Xiaomi H101 Hair Dryer** is the perfect combination of convenience and performance, designed for modern travelers who don't want to give up on hair care. Its **compact and foldable design** makes it effortlessly portable, so it fits easily into travel bags. The folding handle, equipped with a heavy-duty handle, reduces the volume of the dryer, making it the perfect travel companion. Experience the convenience of a compact hair dryer without sacrificing performance.

Fast drying with advanced technology

Equipped with a high-performance **20,000 RPM** motor, the Xiaomi H101 hair dryer delivers solid power. The high **airflow of 15 m/s**, achieved through the unique design of the 6-wing air propeller, provides a strong, steady flow, greatly increasing the speed of hair drying. Fast, efficient and easy to use, this hair dryer will transform your hair drying experience.

Personalized drying with multiple modes

The Xiaomi H101 Hair Dryer offers **two air temperature modes combined with two air speed modes**, satisfying a variety of drying needs. Switching between hot and cold air is easy, giving you the flexibility to style your hair the way you like. The innovative, balanced heating design ensures even heat distribution, protecting hair from damage and delivering repeatable results.

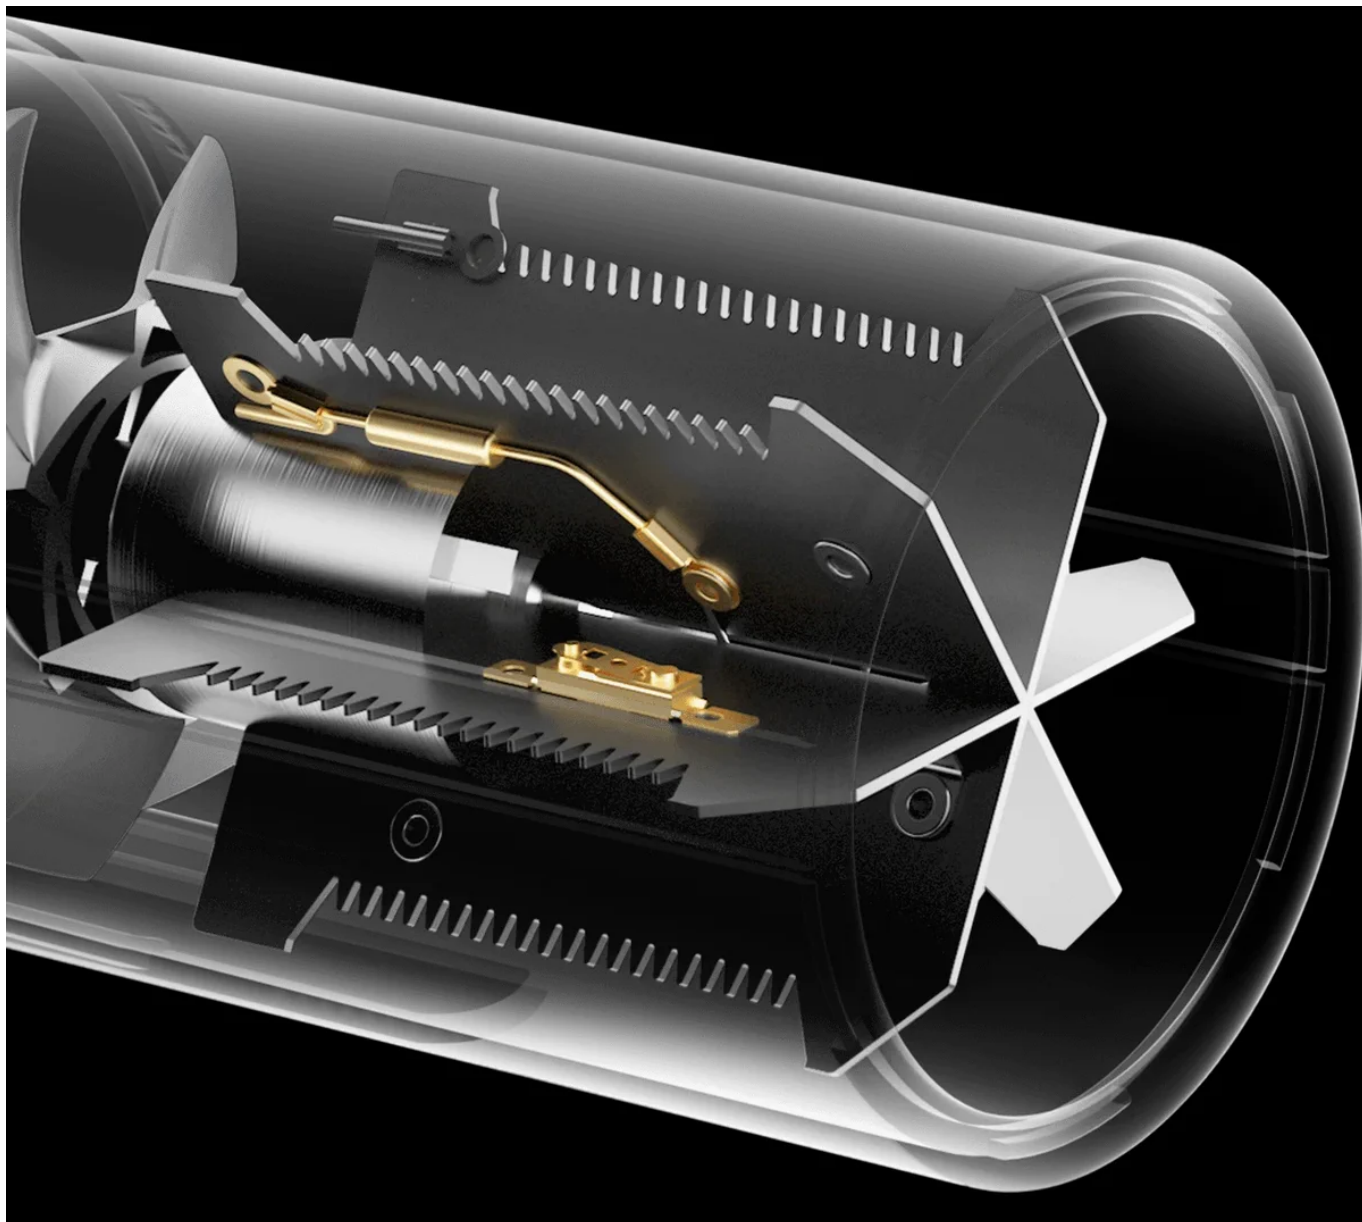

50 million negative ions for healthier hair

Say goodbye to frizzy, tangled hair. The built-in **negative ion generator** in the Xiaomi H101 hair dryer emits fifty million negative ions to neutralize static electricity and smooth frizzy hair. This technology leaves hair fluffy, smooth and shiny, raising the standard of hair care to a professional level.

Elegant design with safety features

The Xiaomi H101 Hair Dryer is not just about performance; it's also a style statement. With its minimalist design, matte and warm-to-the-touch surface, it complements any interior. Available in a variety of colors, it meets a variety of aesthetic preferences. Safety is paramount, as evidenced by the dual overheat protection mechanism. It includes automatic power shutdown if the temperature is exceeded and protection with a fuse. The double-insulated air nozzle prevents accidental burns and rotates 360° for easy styling at any angle.

Xiaomi H101 hair dryer: the best tool for hair styling

The Xiaomi H101 Hair Dryer is a unique tool for anyone looking for a portable, efficient and versatile hair dryer. The combination of advanced technology, safety features and sleek design makes it a must-have item for anyone who appreciates both style and functionality in their hair care devices.
