Full product description

Kingdom of Fun in Your Garden

Discover a magical world of entertainment with the Inflatable Jumping Castle - a dream come true for every child. Your kids will experience unforgettable moments of joy, jumping and playing in a safe, soft kingdom. This inflatable attraction is more than an ordinary trampoline; it is a gateway to a world of fantasy, where each jump is a step into a new adventure.

Safety and Comfort

The Inflatable Castle was designed with safety in mind. The soft floor and high walls guarantee a safe landing, even during the craziest acrobatics. The stable positioning and protective side elements provide peace of mind for parents, while children enjoy the freedom of jumping without limits.

Multifunctional Entertainment

Transform your garden into an epicenter of fun, offering kids more than just bouncing. With the included basketball basket and ringo rings, the Inflatable Castle becomes an arena for a variety of games and activities. The complete set with an inflatable ball and four ringo rings opens up a world of sports competition and fun for children.

Built to last

In addition to providing endless fun, the Inflatable Castle is extremely durable. Eight air chambers with check valves and a quick vent valve ensure easy installation and stability. You'll also find 8 pegs to securely fasten the castle, as well as installation instructions and repair patches to ensure long-lasting use.

Everything You Need in One Kit

The Jumping Bouncy Castle Inflatable Set features up to 14 pieces designed with fun and safety in mind. The product is ideal for children ages 3 and up, making it the perfect gift that will light up any little one's eyes. Bring the fun to your garden or home and let your children enjoy amazing adventures in their own safe castle.
