Price: **1,500.00 zł** gross / 1,219.51 zł net

Manufacturer: XIAOMI

Referention number: DNXGHINKHRMMHN

Product features

Height	1270 mm
Output voltage	41 V
Battery recharge time	8 h
Width	1175 mm
Maximum load weight	120 kg
Battery capacity	10 Ah
Engine power	400 W
Maximum motor power	700 W
Recommended height (min)	1.2 m
Recommended height (max)	2 m
Folded height	545 mm
Folded depth	525 mm
Output current	1.5 A
Folded width	1175 mm
AC input frequency	50 Hz
AC input voltage	100 V
Maximum speed	25 km/h
Maximum gradient	20 %
Battery cell capacity	360 Wh
Product weight	20000 g

Full product description

Xiaomi Electric Scooter - freedom and comfort

Xiaomi Electric Scooter Elite EU is an **electric scooter** that combines a robust design with a smooth ride and functional features. Thanks to its powerful motor and capacious battery, you can enjoy a comfortable ride over a long distance.

Scooter - a smooth ride in all conditions

Don't worry about the unevenness of the road! **The front double spring suspension** effectively absorbs vibrations, which ensures stability even on bumpy surfaces. As a result, the Xiaomi Electric Scooter Elite EU guarantees a smooth and safe ride in a variety of conditions.

400W motor - dynamic ride

Xiaomi's electric scooter is equipped with a **400W motor**, which allows it to reach a **maximum speed of 20 km/h**. Combined with a maximum input power of 700W, it provides dynamic acceleration and efficient climbing of inclines **of up to 20%**. This makes the Xiaomi Electric Scooter Elite EU a great choice for everyday use.

Range of 45 km - more freedom

With a **capacious 360Wh (10,000mAh) battery**, you can travel **up to 45km on a single charge**. This makes the Xiaomi Electric Scooter 5 the perfect transportation for work, school or short trips. **The charging time is about 8 hours**, which means you can charge it at night and enjoy riding all day.

Safe braking system and stable tires

Safety is a priority, so the scooter is equipped with a **front drum brake and an E-ABS rear brake for** effective stopping. The 10-inch tubeless tires improve stability and minimize rolling resistance, resulting in better control of the scooter. **The maximum load capacity is 120 kg**, making the scooter suitable for a wide range of users.

Contents of the kit

- Xiaomi Electric Scooter Elite x1
- Charger x1
- Allen wrench x1
- Screws x6
- User manual x1
- Manual with important information x1
- Theoretical range sticker x1
- Technical specifications x1
