Full product description

Xiaomi Magnetic Reading Light Bar - The perfect light for your desk

Xiaomi Magnetic Reading Light Bar is an innovative wireless LED light that is perfect for your desk or monitor. Thanks to its capacious 2000mAh battery, magnetic mount and precise illumination, you can enjoy the perfect light in any situation.

Long-lasting battery life

Equipped with a **2000mAh** battery, **the** Xiaomi Magnetic Reading Light Bar offers long hours of use without being plugged in. With USB charging, the light is ready to go after a short charging time, making it extremely convenient for home use, office or travel.

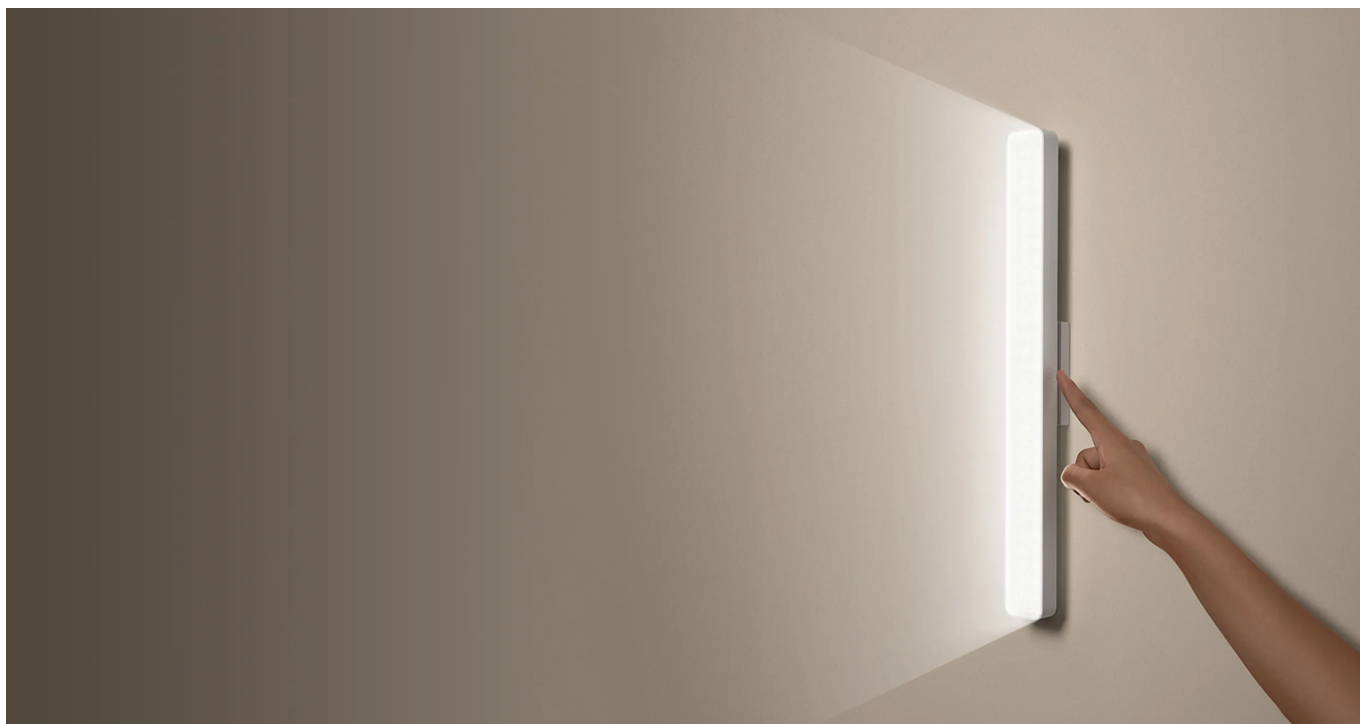

Magnetic attachment and flexibility

Thanks to its magnetic base, the lamp can be easily mounted on a desk, shelf, or **even on the edge of a monitor** for complete flexibility of use. The lamp's ability to be quickly detached means you can move it anywhere, adjusting the lighting to suit your needs.

Natural light and eye protection

This LED light offers high-quality, natural light with a **color temperature of 4000K** and a **CRI Ra90 color** rendering index , which means that colors are seen naturally. It is perfect for both work and relaxation, providing comfort for the eyes and minimizing eye fatigue during prolonged use.

Simple operation and elegant design

The lamp is not only functional, but also elegant, fitting into any modern interior. Its simple and minimalist design makes it blend perfectly into various spaces, and its intuitive operation allows you to quickly adjust the brightness to your needs. It's a combination of aesthetics and convenience of use.
