Full product description

Mi City Backpack, light grey

Mi City Backpack is a comfortable and very useful equipment backpack from Xiaomi. In light grey, with many comfortable pockets, it presents an attractive, minimalist form. A modern **city backpack**, which thanks to its waterproof material guarantees **safe contents**. Low weight and large capacity will ensure comfortable carrying of necessary equipment and things. Do you ask, **what equipment backpack**? We recommend this one - **Mi City Backpack**!

It attracts attention with its design

The minimalist design of the backpack **Mi Urban City** combined with a delicate pastel colour will make you like it at first sight. **Sizeable number of pockets**, compact size and at the same time large capacity will make you will not be able to part with it. You will take him to work, college, school, business meeting and with friends!

It will protect your equipment

A large number of compartments for the most necessary equipment is the basis of every decent backpack. **Mi City Backpack** has a capacity of up to 20 l and guarantees high durability - **the maximum load capacity is up to 25 kg!**

Functionality at the highest level

The minimalist design of the Mi City backpack offers **maximum useful solutions and facilities**. Adjustable, soft shoulder straps, non-slip zipper, additional top handle and a large number of internal pockets will make **using this backpack a pleasure**.

Water resistance and scratch protection

Mi City Backpack is made of **waterproof polyester**, also scratch-resistant. This way you don't have to worry about the contents of the backpack while walking in the rain!
