Full product description

Xiaomi Power Bank 10000mAh 22.5W Lite - Portable power always at hand!

High capacity and performance

This **10000mAh powerbank** offers enough capacity to charge your smartphone up to several times. **An energy conversion rate of 74%** guarantees efficiency, making the device perfect for both travel and daily use. The 10,000mAh capacity is ideal for those who value reliability and long battery life.

Supports fast charging

The **Xiaomi Power Bank 22.5W Lite** supports **fast charging** with up to 22.5W of power, allowing you to expressly charge your device. With **USB-A and USB-C** ports, the powerbank supports various charging standards, ensuring compatibility with a wide range of devices. **The charging time of the powerbank itself** is only 4.5 hours using a 9V/2A charger, saving you time.

Compact and robust design

Smart and safe charging

Equipped with an **intelligent protection system**, the **Xiaomi 22.5W Power Bank** prevents overcharging, overheating and short circuits, ensuring **safe use** for you and your devices. The USB-C port provides **bidirectional charging**, allowing you to quickly replenish both the powerbank and your connected device. A built-in button allows you to easily **check** the battery **charge level**.
