Full product description

In-ear design - unsurpassed lightness and comfort

Weighing just 4.5g, **Redmi's first in-ear headphones** fit tightly to the shape of your ear, so you can listen for hours without discomfort.

Key features of Redmi Buds 3

- Comfort and lightweight due to unique design
- Qualcomm® QCC3040 Bluetooth® Chipset
- Dynamic 12 mm drivers for high sound quality
- Qualcomm® cVc™ echo cancellation and noise suppression technology
- Extra long battery life of 20 hours

Slim and compact charging case. Discreet and stylish

The **all-new compact charging case** features both smooth, rounded contours and hard edges for a more comfortable grip. The high-gloss finish makes the **case easy to clean**.

Qualcomm® BLUETOOTH® chipset advanced audio technology. Simply better sound

Featuring the **Qualcomm® QCC3040 BLUETOOTH®** chipset and all-new **Bluetooth® 5.2** technology, **Redmi Buds 3** deliver faster and more consistent audio transmission for an **exceptional listening experience**.

12 mm dynamic driver for high quality listening experience

Enjoy more detailed sound with a large **12mm dynamic driver** made of composite materials. **Calibrated by Xiaomi's sound lab**, this driver delivers rich bass, clear treble, and consistently excellent sound quality.

Dual-microphone noise cancellation during calls

The dual high-sensitivity microphones built into **Redmi Buds 3**, combined with **Qualcomm® cVc™ Echo Cancelling and Noise Suppression** technology, dynamically reduce ambient noise and effectively minimize echo. This means you can always enjoy clear voice calls.

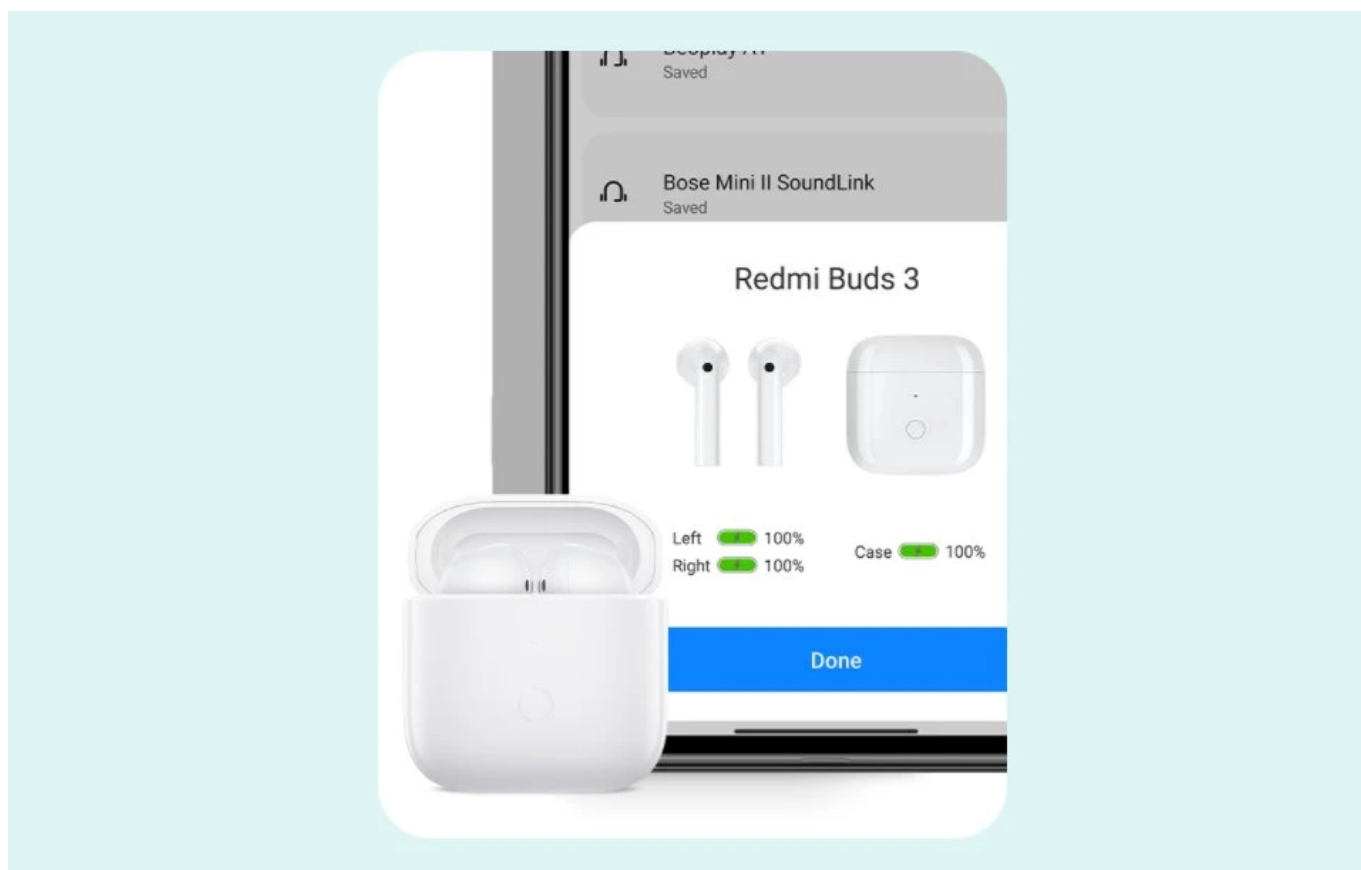

Extremely long battery life

Though small and lightweight, **Redmi Buds 3** offer both power and convenience. Enjoy **up to 5 hours of** battery life on a single charge or **up to 20 hours of** use when paired with a charging case. Relax and get back to your music. Enjoy up to 1.5 hours of playback on a single 10-minute charge.

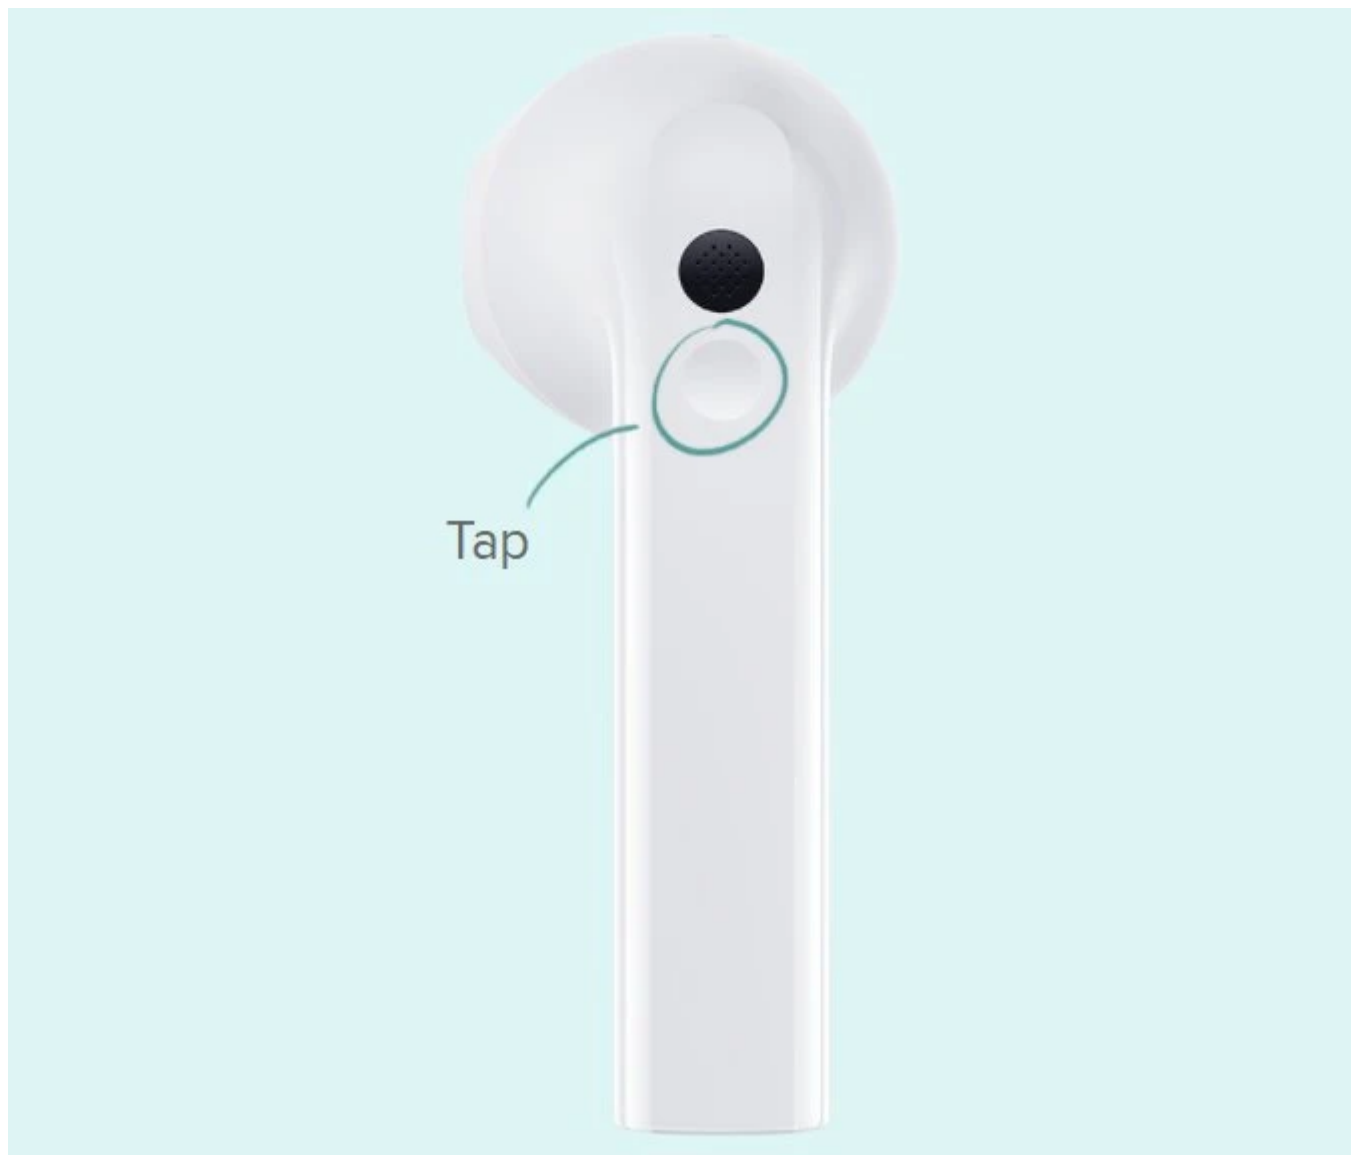

MIUI pop-up window for quick pairing. Simply open the cover to pair

The exclusive **MIUI Pop-up for Quick Pairing** allows you to pair your devices quickly. **Simply open the charging case near your smartphone** and tap the screen when the pop-up appears. You can see the battery level of the headphones and case on the screen.

Touch control. Switch easily between music and calls

Touch the back of the headphones to switch modes, pause and resume music, and perform other actions.

IP54 dust and water resistance. Advanced protection features when you need them

Redmi Buds 3 headphones are expertly designed to meet **IP54** dust and water resistance **standards** (level 5 dust resistance and level 4 water resistance), making them safe from spills and sweat.
