Manufacturer: XIAOMI

Referention number: DNXXGGMHNKRMMKL

Product features

Product type	Headset
LED indicators	Yes
Wireless range	10 m
Microphone type	Built-in
Connectivity technology	Wireless
Quantity	1
Battery operated	Yes
Noise reduction	Yes
Speaker diameter	12.4 mm
Impedance	32 Ω
Charging case weight	31.4 g
Charging case	Yes
Number of microphones	2
Output voltage (charging case)	5 V
Output current (charging case)	0.32 A
Continuous audio playback time	10 h
Battery capacity (charging case)	480 mAh
Input current (charging case)	0.5 A
Continuous audio playback time (with charging case)	40 h
Left earpiece battery capacity	54 mAh
Right earpiece battery capacity	54 mAh
Input voltage (charging case)	5 V

Input voltage (earpieces)	5 V
Input current (earpieces)	0.15 A
Ear coupling	Intraaural
Right earpiece weight	5.3 g
Left earpiece weight	5.3 g
Noise canceling type	Active
Noise canceling	Yes
Bluetooth version	5.3
Bluetooth	Yes
Charging case dimensions (W x D x H)	61 mm
Control type	Touch
Adjustable volume	Touch
Intraaural headphones type	Earbuds
Bluetooth profiles	A2DP
Magnet type	Titanium
Headset type	Binaural
Product colour	Black
USB connector	USB Type-C
Wearing style	In-ear
Control unit type	On-ear control unit
Charging case connector type	USB Type-C
Charging case capacity	480 mAh
USB connectivity	Yes
Number of simultaneously connected devices (max)	2
Loading type	Wireless
Recommended usage	Calls/Music
Product weight	42 g

Full product description

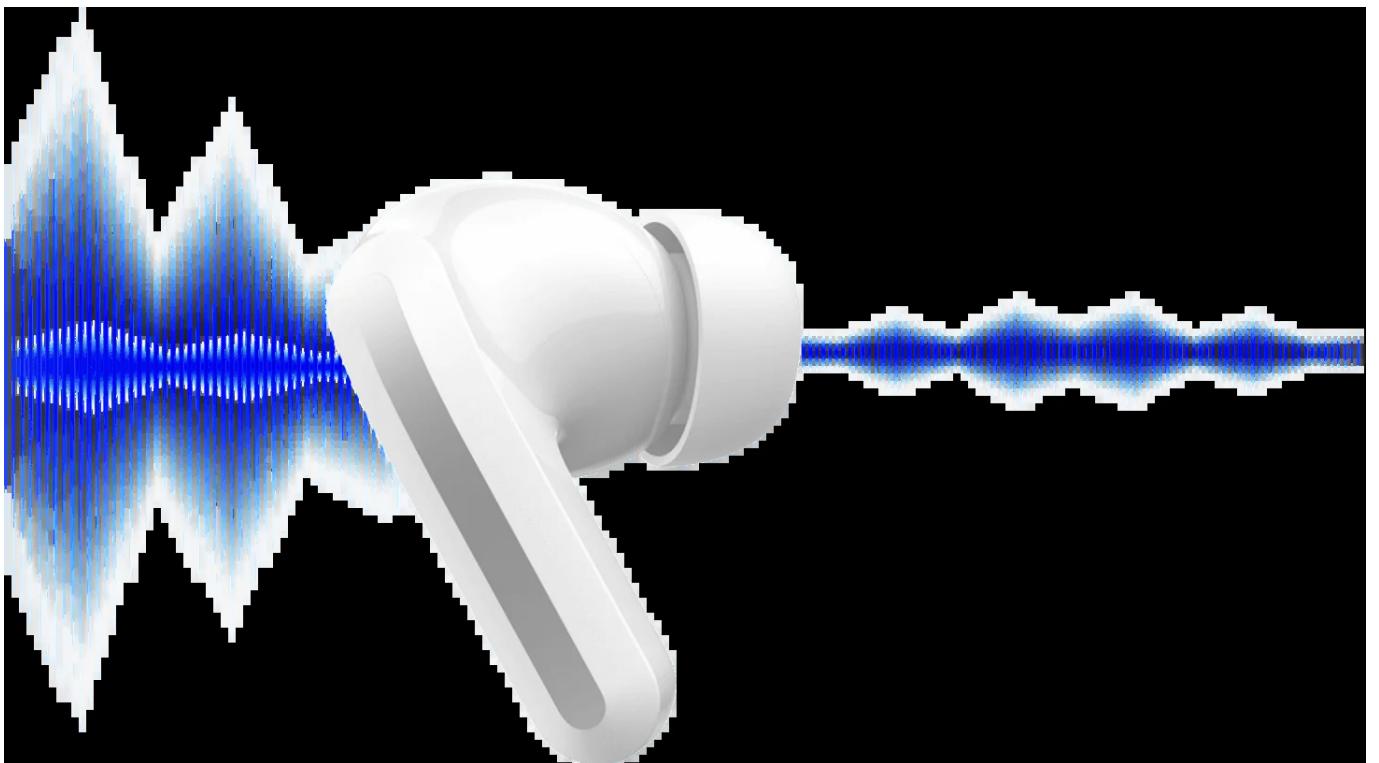

Redmi Buds 5: Your Zone of Silence in a World Full of Sounds

Redmi **Buds 5** are wireless in-ear headphones designed by Redmi brand, offering **advanced audio features**. Discover exceptional sound quality and absolute wearing comfort with the Redmi Buds 5, in-ear headphones that provide not only excellent sound, but also developed noise-canceling features.

Noise reduction technology

This model is equipped with **active noise cancellation technology up to 46dB**. Redmi Buds 5 allow you to completely detach yourself from the surrounding world and immerse yourself in your favorite music, while providing crystal clear sound. Adapt to different scenarios with three noise cancellation modes. In addition, three transparency modes allow you to be aware of the surrounding world, even while listening to music. With **Redmi Buds 5**, you can tailor your listening experience to different situations - from complete isolation to awareness of the surrounding world.

Excellent sound quality

With Redmi Buds 5, you can enjoy rich, detailed sound. The inside of each earphone is **covered by a powerful 12.4mm driver** for an unforgettable sound experience. Combined with a hard titanium diaphragm, this driver offers rich bass and clear, crisp highs, allowing you to hear even the smallest details in your favorite music.

Wear comfort for long hours

Wearing comfort is crucial for long listening sessions, so the **Redmi Buds 5** are designed with ergonomics and stability in mind. They have been optimized based on data from thousands of ear canal models, ensuring a stable fit and comfort. Their classic design and modern approach guarantees perfect adaptation to any ear shape, while providing unparalleled comfort even during hours of use.

Long operating time

Let your music accompany you all day long thanks to the Redmi Buds 5's impressive runtime. You can enjoy up to **10 hours of** music on a single charge, and with the charging case, that number goes up to **40 hours**. With the **fast charging** feature, just 5 minutes of charging

provides an additional 2 hours of listening, allowing you to enjoy your favorite music without interruption.

Easy connection and safe storage

Break the barrier between you and the world of sound with the Redmi Buds 5. Thanks to **Google's Fast Pair** feature, pairing with your **Android** device is quick and hassle-free, and the convenient charging case keeps your headphones charged and ready for use at all times. Give yourself a truly uncompromised music listening experience with **Redmi Buds 5** - your audio companion in every step.
