Battery capacity (charging case)	475 mAh
Continuous audio playback time (with charging case)	30 h
Ear pad dimensions (W x D x H)	32 mm
International Protection (IP) code	IPX4
Input voltage (charging case)	5 V
Input voltage (earpieces)	5 V
Ear coupling	Intraaural
Right earpiece weight	4 g
Left earpiece weight	4 g
Noise canceling	Yes
Bluetooth version	5.4
Bluetooth	Yes
Charging case dimensions (W x D x H)	61 mm
Control type	Touch
Adjustable volume	Touch

Intraaural headphones type	Earbuds
Headset type	Binaural
Product colour	White
Wearing style	In-ear
Control unit type	On-ear control unit
Charging case connector type	USB Type-C
Charging case capacity	475 mAh
Loading type	Wireless
Recommended usage	Calls/Music
Product weight	36 g

Full product description

Xiaomi REDMI BUDS 6 ACTIVE - the perfect choice for the music lover!

The Redmi Buds 6 Active headphones from Xiaomi are a wireless solution that combines modern technology with comfort. If you're looking for headphones that provide you with clear sound and long battery life, these in-ear headphones are the perfect choice. They are distinguished by their ergonomic design and modern features that will allow you to enjoy your music without unnecessary distractions.

Excellent sound quality thanks to dynamic transducer

The Xiaomi Redmi Buds 6 Active headphones are equipped with a **dynamic 14.2mm driver**, which allows them to generate rich and deep sound. The sound quality is enriched with powerful bass that provides a realistic sound of each note. In addition, **Xiaomi Acoustic Lab technology** makes the headphones adjust the sound to your preferences, ensuring the perfect balance between highs and lows.

Noise reduction and high quality microphone

With noise cancellation, **conversations** through the headphones **are crystal clear**, even in noisy environments. The built-in microphone provides excellent quality during calls, allowing for seamless communication.

Fast and stable connection thanks to Bluetooth

Xiaomi Redmi Buds 6 Active wireless headphones use the latest **Bluetooth 5.4** technology , which provides a reliable and stable connection without lag. This means you can enjoy music and make calls without interruptions or interference. In addition, the range of up to **10 meters** allows you to move freely, even when the device they are paired with is in another room.

Long-lasting battery and fast charging

The battery in the Redmi Buds 6 Active wireless headphones allows you to **listen to music** for up to **6 hours on a single charge**. The charging case, on the other hand, extends this time up to **30 hours**, meaning you can enjoy your favorite music all day long. Thanks to the USB-C connector, you can charge your headphones quickly and conveniently. The charging case takes only **2 hours** to fully charge , so the headphones will be ready to go at any time.
