Full product description

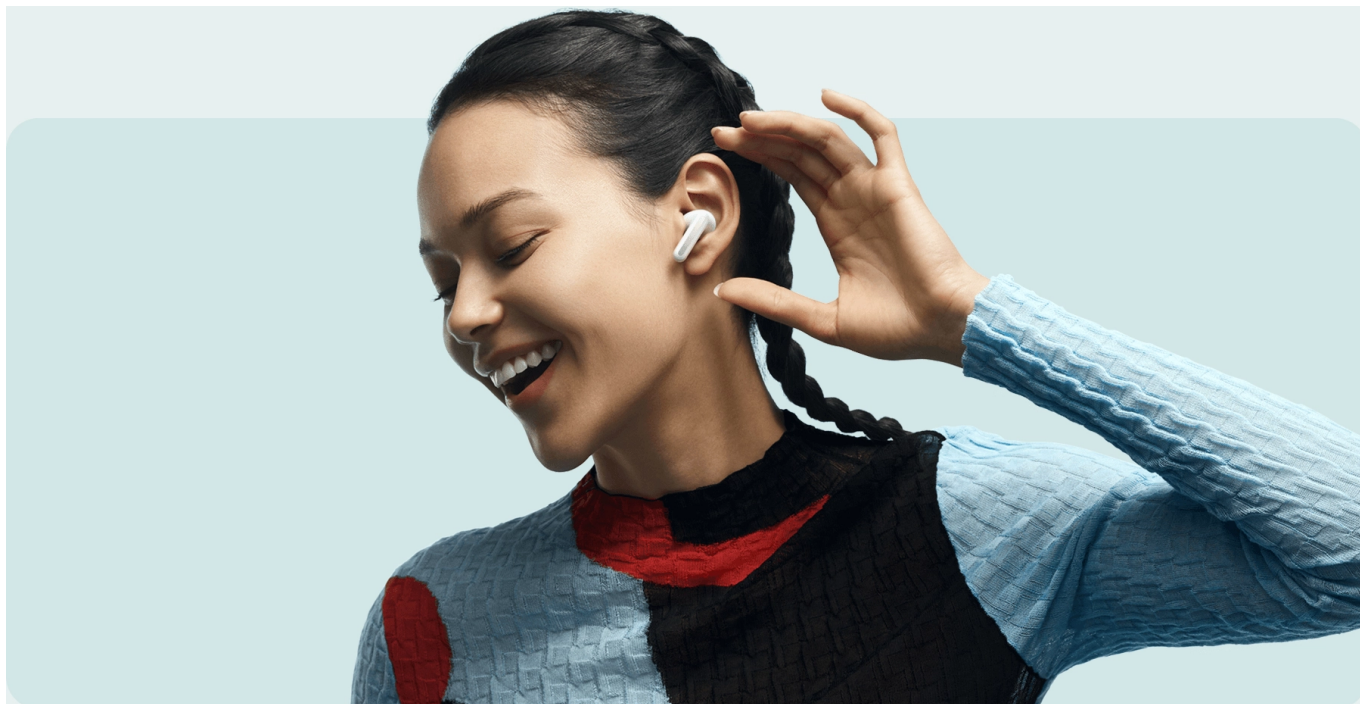

Xiaomi Redmi Buds 6 - Black wireless headphones

Xiaomi Redmi Buds 6 are in-ear headphones that provide **crystal clear sound and powerful Bluetooth 5.4**. With AI noise cancellation, a high-sensitivity microphone and a capacious battery, you can enjoy great sound and comfort.

AI noise reduction - clearer conversations

With **AI noise cancellation**, the Xiaomi Redmi Buds 6 headphones **automatically filter out ambient sounds**, improving call quality. **The dual microphone** allows you to make calls even in noisy environments. If you want clear sound during calls, **noise reduction** will effectively help eliminate noise.

Bluetooth 5.4 connectivity - stable connection

The state-of-the-art **Bluetooth 5.4** standard ensures **stable transmission** without lag or signal interruption. You can pair the headphones with multiple devices and **operate them comfortably** without interference. With a range of up to 10 meters, you can enjoy complete freedom of movement, whatever the situation.

Long working time - up to 30 hours with case

With a **54 mAh battery in the headphones** and a **475 mAh battery in the charging case**, you can enjoy your music for hours. One charge provides up to 6 hours of continuous listening, and the case extends the runtime **to 30 hours**. **Fast charging via USB-C** means you'll even

have your headphones charged up for hours more use in no time.

High sound quality and convenience of use

Xiaomi in-ear headphones are equipped with **Hi-Fi drivers** that guarantee clear sound and deep bass. **The ergonomic fit** makes them **fit** snugly in the ear without causing discomfort even when worn for long periods of time. The in-ear design and lightweight materials ensure comfort in any situation.
