Full product description

Xiaomi Redmi Buds 6 Lite - Lightness and comfort without compromise

Immerse yourself in music with the Xiaomi Redmi Buds 6 Lite, which combine convenience of use with superior sound quality. These wireless headphones are designed with convenience in mind, thanks to a lightweight design and a long-lasting battery that provides up to 38 hours of use with a charging case. Thanks to Bluetooth 5.3, you can enjoy a stable connection and minimal audio latency.

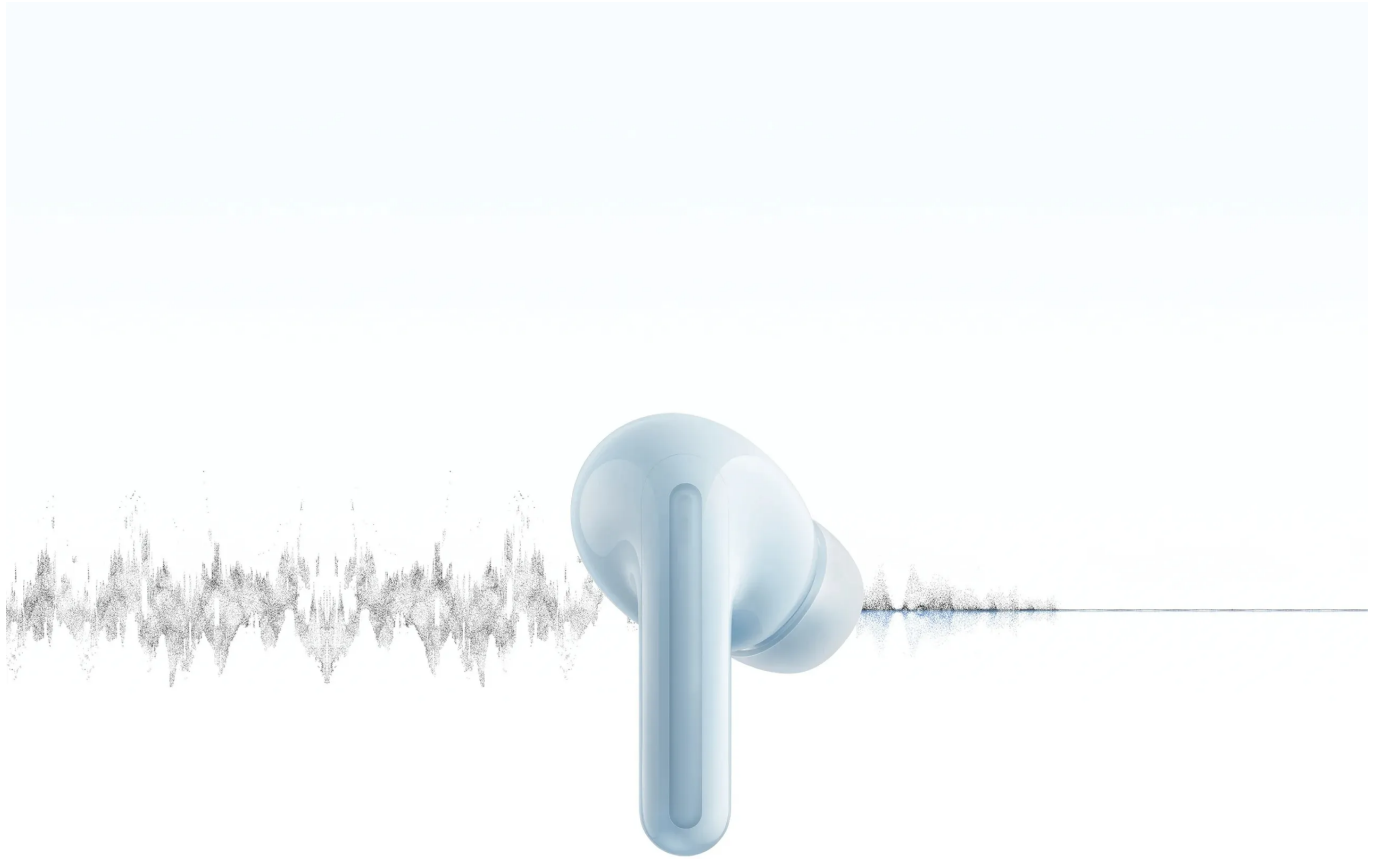

Long battery life - up to 38 hours

With the **charging case**, you can enjoy up to 38 hours of non-stop music listening. The headphones themselves offer up to 7 hours of continuous use, making them the perfect companion for long trips. Even when ANC (noise cancellation) is turned off, the battery provides hours of entertainment.

Noise reduction and convenient control

The noise cancellation built into the Redmi Buds 6 Lite **eliminates unwanted** background noise, so you can enjoy crystal clear sound even in noisy environments. With an intuitive control system, you can easily answer calls, adjust volume and change songs without having to reach for your phone.

Stable connection with Bluetooth 5.3

With **Bluetooth 5.3**, the Redmi Buds 6 Lite offer a stable and fast connection to mobile devices, which minimizes lag and ensures smooth audio playback. Whether you're listening to music, chatting or playing games, you can count on reliable connectivity.

Excellent sound quality

The Redmi Buds 6 Lite feature **12.4mm titanium-coated drivers** that deliver clear and deep sound. They are ideal for listening to your favorite music, podcasts or watching movies with excellent audio quality. Every detail is accurately reproduced, making you immersed in your favorite song.
