Full product description

Xiaomi Redmi Buds 6 Play - New sound quality at your fingertips

These wireless headphones are designed for convenience and high sound quality, ideal for everyday use, both indoors and out. With Bluetooth 5.4, they offer a stable connection and low power consumption, which translates into long battery life - up to 36 hours with the charging case.

Exceptional battery life

The Redmi Buds 6 Play offer up to **36 hours of** music playback thanks to a capacious charging case. The headphones themselves last up to 7.5 hours on a single charge, and the built-in fast charging feature allows **3 hours of playback after 10 minutes of charging**. Ideal for people on the go all the time.

Stable Bluetooth 5.4 connectivity

The Redmi Buds 6 Play feature state-of-the-art Bluetooth 5.4 technology, which ensures a stable and smooth connection to your devices, no matter what the situation. Reliable connectivity means no interruptions to music or interference during phone calls, even in busy places or during intense workouts.

AI noise reduction for clear audio

Thanks to **AI noise cancellation**, **Redmi Buds 6 Play** provide crystal clear sound during phone calls by eliminating background noise. This solution ensures that you will always hear the other party, no matter where you are - in a noisy environment or outdoors.

Dynamic transducers

Featuring dynamic **10mm drivers**, the headphones **deliver powerful bass** and clear highs for a great music listening experience. Whether you're listening to your favorite playlist or making a phone call, the Redmi Buds 6 Play will deliver excellent sound quality.
