Recommended usage	Calls/Music
Product weight	46.5 g

Full product description

Redmi Buds 6 Pro - Wireless sound quality

Xiaomi Redmi Buds 6 Pro are **dockless headphones** that offer **ANC active noise cancellation** and **Bluetooth 5.3** for a stable connection. With **a charging case**, you can enjoy a long battery life on a single charge. **The Redmi Buds 6 Pro headphones** are a great choice for those who want convenience, functionality and high sound quality.

Active noise cancellation (ANC) for clearer sound

With **ANC technology**, the **Xiaomi Redmi Buds 6 Pro** headphones effectively reduce ambient noise to 55 dB. **The noise cancellation feature** allows you to focus on your music or conversation, eliminating distractions. You can adjust the ANC level depending on the situation, making them great for both travel and the office.

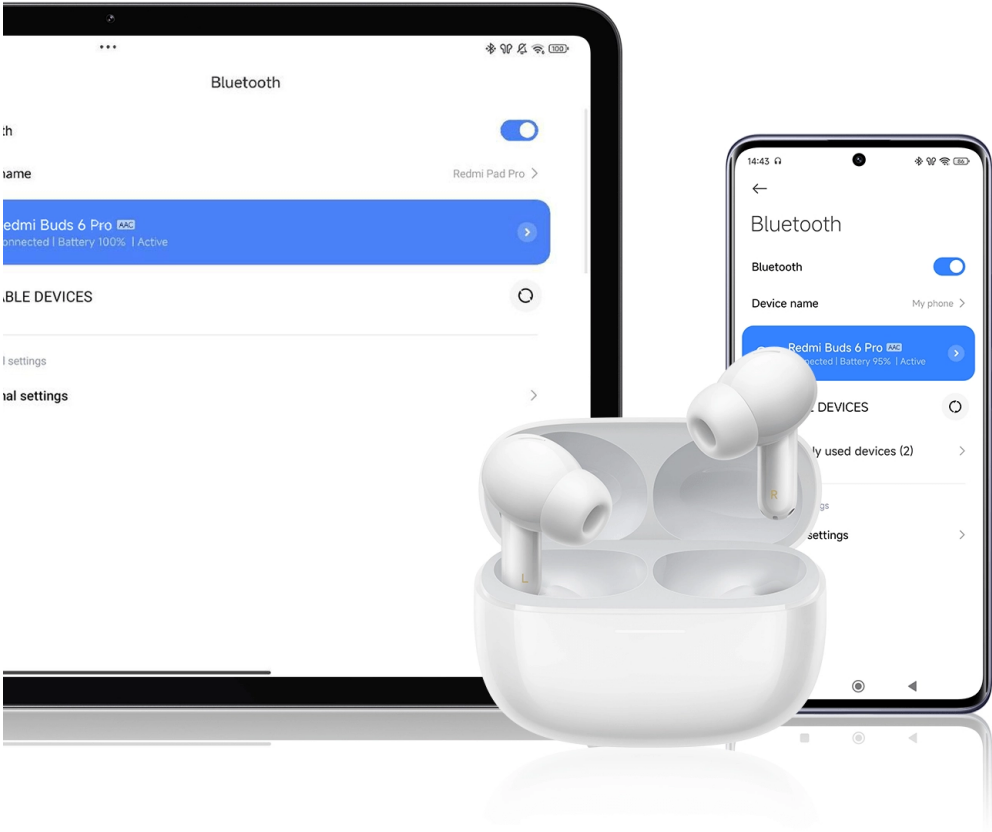

Bluetooth 5.3 connectivity - stable connection

Bluetooth 5.3 provides **stable transmission** without lag, which is crucial when watching movies and playing games. The 10-meter range allows freedom of movement, without having to hold the phone in your hand. Thanks to modern technology, the headphones **support AAC and SBC codecs** for better sound quality.

Long working time - 38 hours of music

The **Xiaomi Redmi Buds 6 Pro** headphones provide up to **9 hours of playback on a single charge**, and when combined with the charging case, the total runtime is up **to 38 hours**. The **fast-charging** feature allows the headphones to charge in 10 minutes, providing 2 hours of music listening.

High sound quality and 10mm drivers

The **Xiaomi Redmi Buds 6 Pro** dockless headphones feature **10mm drivers** that deliver clear sound and powerful bass. **The sound quality** has been optimized to provide full sound for both music and phone calls. Thanks to advanced technology, the headphones adjust the volume according to the environment.
