Product weight	14.9 g

Full product description

Larger display for better visibility

Meet the Xiaomi Redmi Smart Band 2 with a larger **1.47-inch TFT display** that offers a 10.5% larger viewing area than the Xiaomi Smart Band 7. This makes reading the news or checking your heart rate while running even easier. **Every piece of information is clearly visible,** and can be accessed with a flick of the wrist.

Lightweight and stylish design

Redmi Smart Band 2 impresses with its slim and lightweight design. At **just 9.99 mm thick**, the device not only looks great, but also fits perfectly on your wrist. Whether you're on a workout or on your way to work, the band fits your style perfectly.

A wealth of personalization

Choose from more than **100 different dials** that allow you to customize the look of the band to suit your mood and style. Redmi Smart Band 2 offers **new, stylish designs** that never get boring. As a result, your fitness band will always look fresh and fashionable.

Advanced fitness features

Redmi Smart Band 2 is the perfect companion for any physical activity. With **over 30 sports modes**, such as outdoor running, yoga and climbing, you'll reach your fitness goals with ease. **Exercise duration, calories burned and heart rate** are visible at a glance.

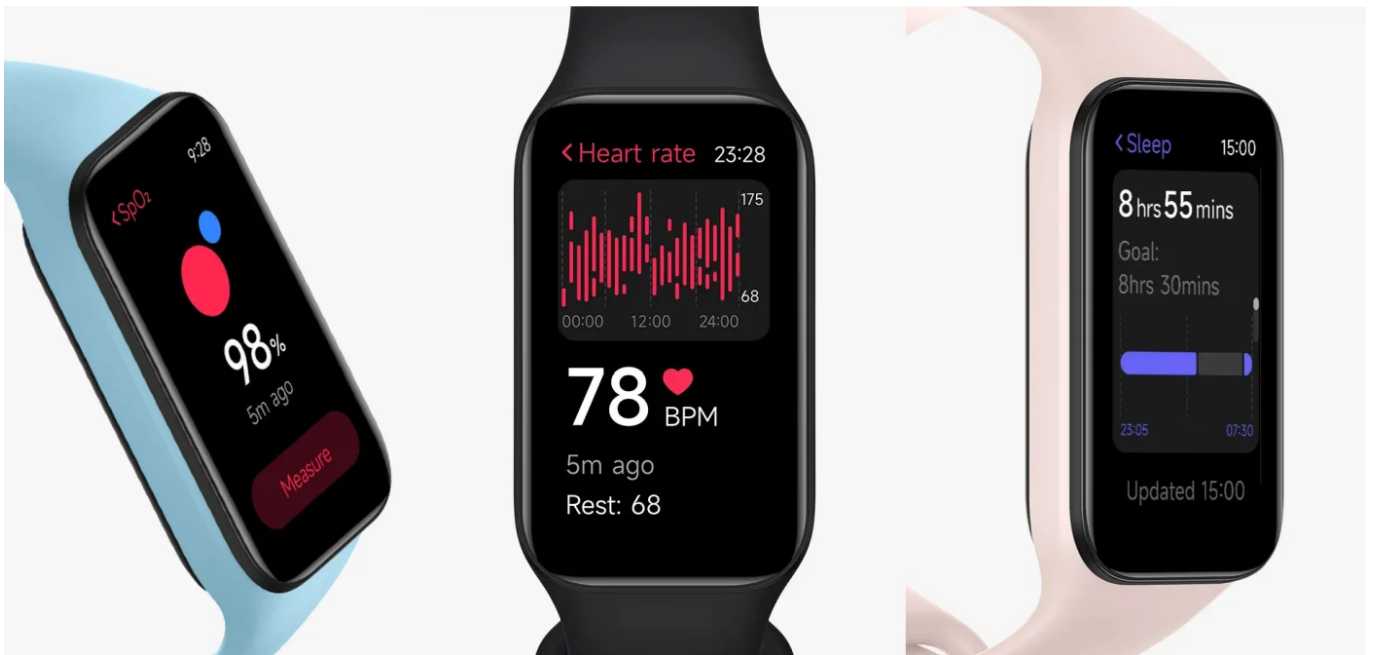

Water resistance and durability

With the Redmi Smart Band 2, you don't have to worry about contact with water. With a **water resistance rating of 5ATM**, you can wear it while swimming or in the rain. **The band can withstand immersion up to 50 meters.**

24/7 health monitoring

Redmi Smart Band 2 is not just a fitness band, but also an **advanced health monitoring tool**. The built-in precision **PPG sensor** tracks your heart rate 24 hours a day, sending alerts when abnormalities are detected. In addition, **monitoring blood oxygen levels (SpO₂)** will help you better understand your health.

Sleep monitoring and long-lasting battery

The Redmi Smart Band 2 **monitors both long sleep and naps**, providing detailed reports on your sleep patterns. This will help you understand how you sleep and what you can improve. With **magnetic charging** and a **battery that lasts up to 14 days**, you can enjoy all the band's features without frequent charging.
