Price: **2,999.00 zł** gross / 2,438.21 zł net

Manufacturer: XIAOMI

Referention number: DNXGJONSERMMPQ

Information:

Xiaomi Robot Vacuum 5 is an intelligent robot vacuum cleaner that combines precise navigation with 20,000 Pa suction power, ensuring effective vacuuming of floors and carpets as well as obstacle avoidance. The 5200 mAh battery provides up to 120 minutes of operation, and the mopping function also helps remove stains and dirt from hard surfaces. The device can be conveniently controlled remotely via the Xiaomi Home app, with schedules set and voice control used, e.g. through Alexa.

Product features

Height	88 mm
Apps functions	Quick mapping
Base station dimensions (W x D x H)	470 mm
Runtime	140 min
Vacuum	20 kPa
Shape	Round
Works with the Google Assistant	Yes
Battery capacity	5200 mAh
Brush type	Roller brush & Side brush
Automatic base station return	Yes
Floor surfaces supported	Carpet
Integrated sensors	Laser
Quick start guide	Yes
Smartphone/tablet remote support	Yes
IFU / User manual	Yes
Wet mopping	Yes

User guide	Yes
Child lock	Yes
Works with Amazon Alexa	Yes
Automatic routing	Yes
Warranty card	Yes
Dust container type (base)	Dust bag
Navigation type	D-ToF lidar
AC input frequency	50 Hz
AC input voltage	220 V
Mobile operating systems supported	Android 10
Battery technology	Lithium-Ion (Li-Ion)
Product colour	White
Dust container type	Bagless
Diameter	350 mm
Product weight	3750 g

Full product description

Xiaomi Robot Vacuum 5 - A New Dimension of Cleaning

Xiaomi Robot Vacuum 5 is a modern solution that will significantly make your daily **cleaning** easier. Thanks to advanced technology, the **Xiaomi cleaning robot** meets the needs of even the most demanding users. Performance, intelligent functions and ease of use make this device perfect for every home.

Effective navigation

Xiaomi Robot Vacuum 5 is equipped with advanced navigation that allows precise mapping of rooms. Thanks to the use of **sensors and radar**, the **robot** detects obstacles and plans the optimal route, ensuring fast and effective **cleaning**. Its ability to avoid obstacles and adapt the route to the changing environment increases user comfort.

High suction power of 20,000 Pa

Xiaomi **Robot Vacuum 5** stands out with a high suction power of up to **20,000 Pa**, which ensures excellent cleaning results on various surfaces. Thanks to this powerful suction, the robot easily removes even the finest dust, dirt and debris from carpets and floors. The increased suction power means the robot handles more stubborn dirt effectively, ensuring exceptional **cleanliness in your home**.

Efficient 5200 mAh battery

Xiaomi Robot Vacuum 5 offers a battery with a capacity of **5200 mAh**, which allows for a long operating time of up to 120 minutes. Thanks to this efficient battery, the robot is able to clean larger areas without the need for frequent charging. Charging time is around 3-4 hours, and the **battery** quickly reaches full capacity to set off to work again.

Mopping function

Xiaomi Robot Vacuum 5 is equipped with a **mopping** function, making it a more versatile device. Thanks to the **water tank and mop pads**, **the robot** effectively removes stains and dirt from floors while **vacuuming**. The ability to adjust the mopping intensity allows the device to be adapted to different surfaces and levels of dirt.

Remote control and integration with Xiaomi Home

Using the **Xiaomi Home** app, you have full control over the robot. Thanks to **remote control**, you can set a cleaning schedule, monitor its progress and control the settings - all using your smartphone. **Xiaomi Robot Vacuum 5** also works with voice assistants such as **Alexa**, allowing the device to be controlled using voice commands.
