Product weight	2300 g

Full product description

Xiaomi Robot Vacuum E5 - Your New Tool for Perfect Cleanliness

Xiaomi Robot Vacuum E5 will delight you with the number of available functions that will contribute to keeping your home clean. Thanks to its powerful motor, the device guarantees thorough dust collection from any surface. This cleaning robot model is suitable for vacuuming all **hard floors without risk of damage**, making it ideal for any **type of floor in your home**.

Safety and Security of Your Property

The **Xiaomi Robot Vacuum E5** features advanced **sensors**, such as an edge sensor and an anti-collision sensor, which ensure that the cleaning robot avoids obstacles and doesn't hit furniture, protecting it from damage. As a result, you can rest assured that your valuable furniture will remain intact and **the robot will not fall off the edge of the stairs**, ensuring **complete safety of use**.

Intelligent Navigation and Efficiency

Advanced sensors allow the Xiaomi Robot Vacuum E5 to navigate around your home, avoiding obstacles and ensuring even coverage of every area. **This type of cleaning route management ensures** that every corner of your home is cleaned in a perfect way. This ensures that the robot will not miss any part of your home, **leaving it in impeccable condition.**

Mopping and Vacuuming in One Appliance

By combining the functions of a **mop** and a **vacuum cleaner**, the **Xiaomi Robot Vacuum E5** significantly reduces the time needed for cleaning. You no longer need to waste hours cleaning - the robot will do it for you, combining **two processes in one device**. This is an ideal solution for those who value convenience and time savings.

Programming and Automation

From now on, you can program the **Xiaomi Robot Vacuum E5** for specific times of the day, allowing it to **work** when you are at **work or engaged in other duties**. This way you get much more time for yourself and don't have to worry about the **need for constant cleaning**. **Automated cleaning is a convenience you will love!** Xiaomi mi robot vacuum will work perfectly at home.
