Full product description

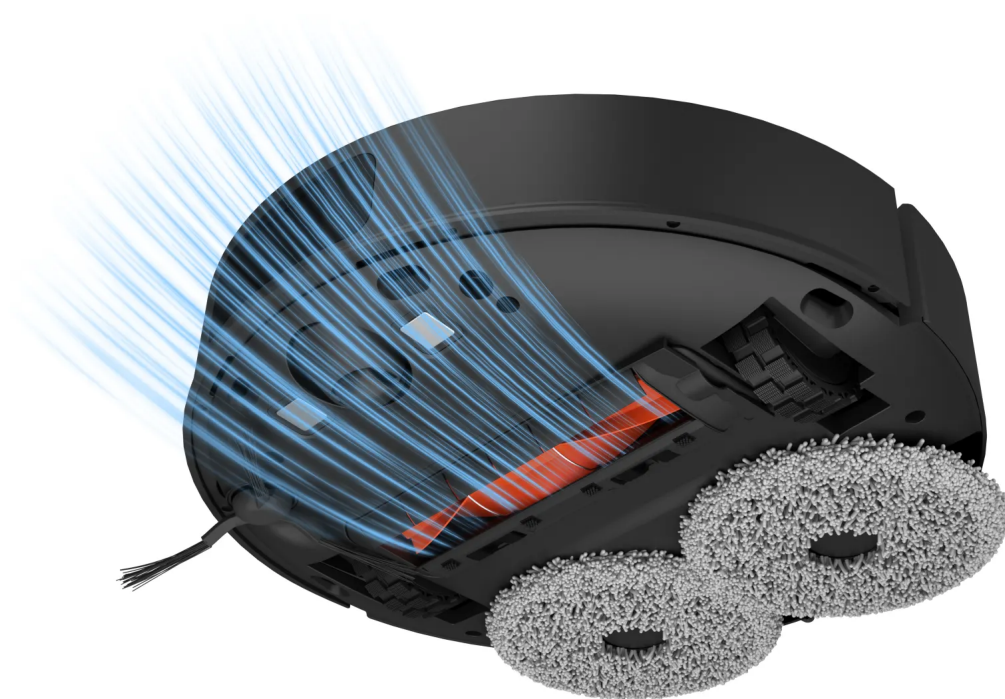

Meet Xiaomi Robot Vacuum S20 , a smart vacuum cleaner that will change the way you keep your home clean.

With a powerful 6000Pa motor and a long-lasting 5200mAh battery, this <https://www.batna24.com/pl/search/1?pc=DNXEGQPQOHTNL>

Powerful suction power and long battery life

Xiaomi Robot Vacuum S20 has a suction power of 6000Pa, which allows it to effectively remove dust, dirt and other debris from any surface. The 5200mAh battery provides up to **150 minutes of operation on a single charge**, so you can enjoy a clean home without having to charge the device frequently. It's ideal for large areas and homes with multiple rooms.

Advanced LDS navigation system and obstacle avoidance

Thanks to the LDS navigation system, the Xiaomi Robot Vacuum S20 **scans its surroundings and creates precise maps** for efficient and systematic cleaning. The obstacle avoidance function ensures that the vacuum cleaner can easily deal with furniture, cables and other obstacles. This smart device adapts to each room, ensuring maximum cleaning efficiency

Mopping function and automatic mop lifting

Xiaomi Robot Vacuum S20 not only vacuums, but also mops floors, providing comprehensive cleaning. The dual mopping and automatic mop lift function allows you to effectively clean both hard surfaces and carpets. **The 290ml water container and 450ml dust container** mean you don't have to stop cleaning often to empty the device.
