### Information:

Xiaomi Smart Air Purifier 4 Compact is an intelligent air purifier for rooms of up to 48 m<sup>2</sup>, which effectively removes pollutants thanks to 3-stage filtration: a main filter, HEPA and an activated carbon filter. It captures 99.97% of particles as small as 0.3 microns, and its allergen elimination effectiveness, confirmed by TÜV Rheinland certification, increases everyday comfort. The device offers a CADR of 230 m<sup>3</sup>/h, a PM 2.5 sensor, automatic adjustment of operation to air quality, manual mode, and a quiet sleep mode at 20 dB. Intuitive touch control and real-time monitoring ensure convenient operation.

## Full product description

### Xiaomi Smart Air Purifier 4 Compact

The **smart air purifier** is capable of cleaning rooms up to 48m², uses a 3-stage filtration technology consisting of a main filter, HEPA filter and activated carbon filter, and additionally has a CADR 230m³/h sensor and PM 2.5 infrared sensor.

### 3-in-1 filtration

**Xiaomi Smart Air Purifier 4 Compact** stops 99.97% of particles as small as 0.3 microns, effectively eliminates typical indoor air pollution with layer-by-layer filtration. Strict allergen filtration guaranteed by the authoritative TÜV Rheinland organization.

## Plenty of modes

With a particle sensor configuration, sensitive air quality monitoring and automatic purification speed adjustment in **automatic mode**, you can enjoy clean air at all times. In **manual mode**, you can set the coverage area and adjust the speed to your preference, and in **sleep mode**, the noise is only 20dB and the display light can be turned off.

## Real-time monitoring

Customize purification settings with simple **touch control buttons**, just a light touch to meet your air quality needs.
