Full product description

Choose Xiaomi Smart Band 8 Active - the perfect partner for a healthier, more active life

Elevate your fitness routine with the **Xiaomi Smart Band 8 Active**: a sleek, ultra-slim wearable device with a vibrant **1.47-inch TFT display** for easy data viewing. The Smart Band 8 Active also features **50 workout modes**, personalized **watch faces** and robust health tracking, including **all-day heart rate monitoring** and advanced sleep monitoring. **Water resistance up to 50 meters and a 14-day battery life** make this band the perfect combination of style, functionality and durability. Syncing with the **Mi Fitness app** provides a comprehensive health overview, making the Xiaomi Smart Band 8 Active the ultimate fitness companion.

Key features of Xiaomi Smart Band 8 Active

1. Vivid 1.47-inch TFT display
2. Extremely slim 9.99mm thin body

3. More than 50 workout modes, including 10 professional modes
4. Comprehensive health tracking (heart rate, sleep, SpO2)
5. Configurable watch faces
6. Water resistance up to 50 meters (5ATM)
7. 14-day battery life
8. Synchronization with the Mi Fitness app

Vivid 1.47-inch TFT display

With an **extra-large 1.47-inch TFT screen**, viewing detailed information is child's play, even in bright sunlight, thanks to a **brightness of up to 500 nits**. The improved UI, allows more details to be displayed on each page, ensuring you never miss key data.

Sleek and elegant design

With an ultra-thin **9.99mm** thin **body**, the Xiaomi Smart Band 8 Active is not only stylish but also comfortable to wear. Its **lightweight design** provides unrestricted movement, making it ideal for active users who are always on the go.

Versatile sports modes for every fitness enthusiast

Whether you're just starting out or an experienced athlete, the Xiaomi Smart Band 8 Active will give you the support you need. With more than **50 workout modes, including 10 professional modes**, it is designed to meet the needs of everyone from beginner athletes to professionals.

Comprehensive health monitoring

Stay on top of your health with comprehensive fitness monitoring. The armband provides **all-day heart rate monitoring, advanced sleep analysis and continuous SpO2 monitoring**, ensuring that you are always on top of your body's needs.

Personalize the look of your wristband

Make the Xiaomi Smart Band 8 Active truly yours with **customizable watch faces**. With over 100 dials and the option to use your own photos, the band will always reflect your personal style.

Durable and resistant

The Xiaomi Smart Band 8 Active is the perfect companion in the water. With a **water resistance rating of 5ATM**, it can be safely used **up to 50m underwater**, making it ideal for swimmers and adventurers.

The power that lasts

Stay on the go without the need for constant charging. Xiaomi Smart Band 8 Active provides a very long battery life, supporting **up to 14 days of normal daily use**. This ensures that the band is always ready for action.

Connectivity with the Mi Fitness app

Maximize health tracking and workout insights with the supported **Mi Fitness app**. Sync data, set goals and achieve them with a comprehensive app designed to support your fitness journey.
