Full product description

Xiaomi Smart Band 8: the new definition of fitness and style

Xiaomi Smart Band 8 is a combination of fashionable design and health-focused technology. Featuring a **sleek metal frame** with NCVM texture and a **vivid 1.62-inch adaptive display**, this band offers a very long **16-day battery life**, supported by 2C fast charging. Know your health stats with **continuous monitoring of SpO2, sleep and heart rate** while discovering **over 150 training modes and over 200 watch faces**. Your health, style and performance, all wrapped around your wrist.

Key features of Xiaomi Smart Band 8

1. 1.62-inch screen for easy browsing
2. 192 x 490 resolution with 326 PPI
3. 600 nits for clear visibility
4. 5 ATM certified
5. Professional workout analysis
6. All-day health monitoring
7. Rich collection of watch faces
8. Ambient light sensor

Stylish and elegant design

The **Xiaomi Smart Band 8** features a metallic bezel adorned with a flawless NCVM texture that enhances its elegance and sophistication. The uniquely designed **quick-release body structure** makes it effortless to switch between different colored bands, allowing users to express themselves with class and versatility.

Glow of the display

Experience a screen that thinks for you. With a built-in **light sensor**, the brightness of the display intuitively adjusts to match your environment. Powered by a state-of-the-art chipset, the band supports a high **refresh rate of 60 Hz**, ensuring smooth interactions every time you swipe.

Extremely long battery life thanks to fast charging function

Never be chained to a charger again. Xiaomi Smart Band 8 provides **up to 16 days of continuous use** on a single charge. And if you ever run out of power, the **2C fast-charging technology** will get you back to full power in just an hour.

A variety of watch faces

Elevate your style and mood with over 200 vibrant watch dials. From classic elegance to playful games, there's a dial for every occasion and mood.

24-hour health monitoring

Stay in tune with your body. **Track SpO2 levels**, monitor sleep patterns and keep an eye on your heart rate around the clock. With the added bonus of **monitoring your breathing while you sleep**, Smart Band 8 is your 24/7 health companion.

Professional training analysis

Get ready for a better workout experience. Explore more than **150 workout modes** to record precise heart rate and calorie data. **10 running courses** are designed to challenge you, vibrating and illuminating to track your pace and heart rate goals.
