Full product description

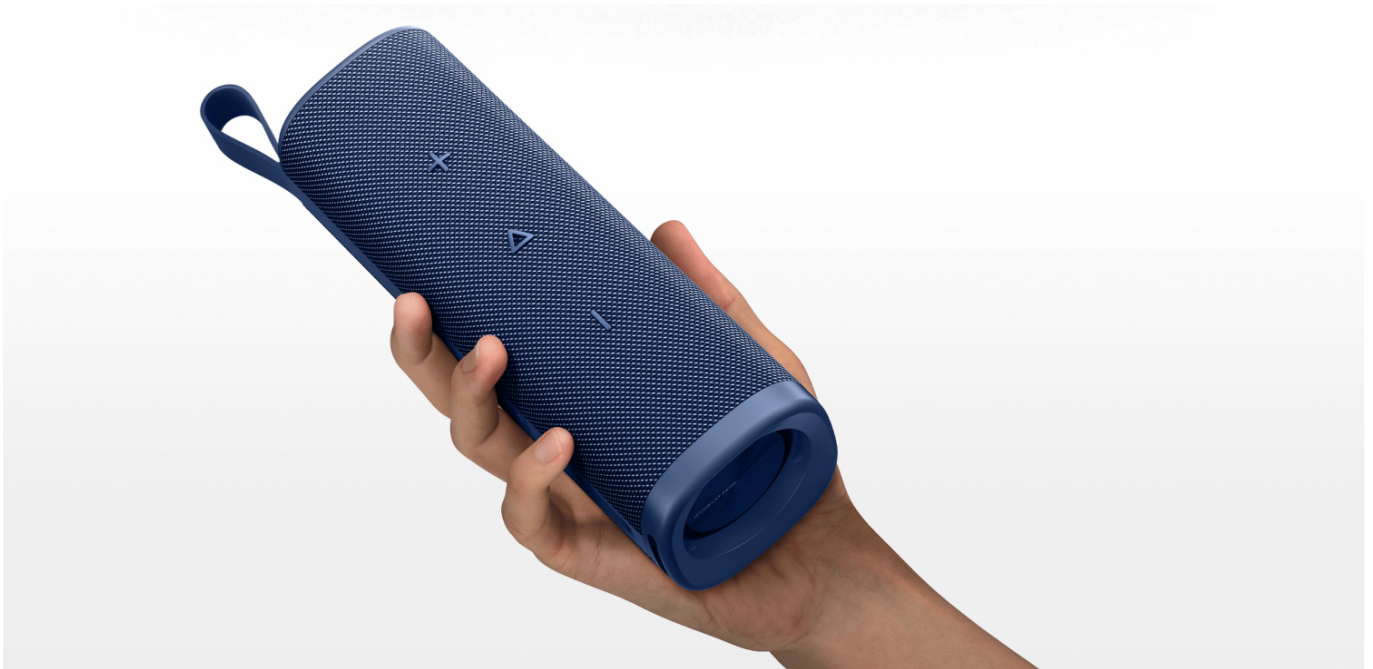

Enjoy your favorite music in any situation with Xiaomi Sound Outdoor 30W

This powerful [wireless speaker](#) IP67 Xiaomi Sound delivers superior sound quality and fuller, richer bass. Thanks to its IP67 resistance, you can take it with you anywhere without worrying about dust or being submerged in water.

High power and sound quality

The Xiaomi Sound Outdoor 30W offers an output **power** of 30W, which guarantees **powerful sound** to fill every corner. With an advanced audio system and certified sound quality, the speaker delivers an immersive audio experience. Fuller and richer bass will make any song sound even better.

IP67 resistance

The wireless speaker from [manufacturer Xiaomi](#) is IP67-rated, which means it is **completely dustproof and protected against immersion in water** up to 1 meter deep for up to 30 minutes. You can enjoy music on the beach, in the rain or in harsh field conditions. It's ideal for active people who value the reliability and durability of their equipment.

Long battery life and advanced features

With a 2600 mAh battery, the speaker offers up to 12 hours of playback at 50% volume. It supports **fast charging** via a USB Type-C port, allowing you to replenish power quickly. The speaker **has a dual audio connection feature**, so you can connect two speakers in series for a stereo effect.
